## Events at Wrenn Miller Park

The Town of Jamestown is pleased to offer its annual "Music in the Park" series again for 2018. This year, Town staff have expanded the lineup and will be offering free music in the park on the first Friday of each month between May and October from 6pm-10pm! The one exception will be Tuesday, August 7th, when we will be celebrating National Night Out. Of course, at each event we will also be inviting food trucks, beer vendors, and tasty desert vendors! All of our events will be free and family and pet-friendly (on a leash, please!). To date, our lineup includes:

**Special points of interest:**

- Apr 9 Planning Board
- Apr 10 Board of Adjustment
- Apr 17 Town Council Meeting
- May 4 Music at Wrenn Miller
- May 15 Town Council Meeting
- May 20 Memorial Day Parade
- May 28 Town Hall Closed

- May 4, 2018 – The Finns
- Jun. 1, 2018 – The Plaids
- Jul. 6, 2018 – Special Occasion Band
- Aug. 7, 2018 – A.M. Rodeo - featuring Jessica Mashburn and Evan Olson (National Night Out)
- Sept. 7, 2018 – Spare Change
- Oct. 5, 2018 – The Dickens Band

The Jamestown Business Association will also be continuing their "Movies in the Park" on the third Friday of each month between May and October as well. The movie schedule is forthcoming, but stay tuned to the Town's Facebook site for more information.

Finally, the Ragsdale YMCA will be sponsoring FREE YOGA in the park each Wednesday evening (weather permitting) beginning on April 11th and going through August 22nd at 6:30pm. Each week, instructors will guide you through a beginner's-style yoga class to teach stretching, balance, and breathing. No experience is necessary! Just bring a mat or towel and a water bottle.

RECYCLING WILL BE PICKED UP EVERY MONDAY DURING 2018!

PARK PARTNERS

Call Kenny Cole at 336-454-1138 or visit Jamestown's website at www.Jamestown-nc.gov for more information on how to become a Park Partner.

Where retirement living takes on a whole new spirit.

HELLO FROM THE CLERK'S CORNER

Hello Jamestown,

For those of you who don't know, March 23rd was National Puppy Day. This was the first year that I got to celebrate with a dog that was my own. I started working for the Town in late February 2017. I had been considering getting a puppy a few months after I had started work, but it wasn't anything I was taking seriously.

One day I came into work, and John Crowe, Parks Superintendent, came into my office and told me that somebody had abandoned two puppies at the Jamestown Park Golf Course. The puppies had been abandoned in a metal cage in the middle of the night. He asked if I wanted to come see them, and I was immediately terrified. I knew what would happen when I saw those sweet, tiny puppies. And I was right. It was love at first sight, and I knew that I had to take one home. I decided to keep the female puppy and Scott Coakley, Recreation Supervisor, found a home for her brother.

I named the puppy Juneau and learned really quickly that puppies, although cute, are extraordinarily hard to take care of. I have had Juneau for almost a year now. I had to sacrifice sleep, my favorite pair of tennis shoes, my furniture, and countless socks, but I am so happy that I decided to keep her. I can thank the Town of Jamestown for my adorable and rambunctious fur baby. I don't know what I would do without her now.

There are several places in Guilford County where you can rescue an animal if you are interested. A few organizations in the area to consider are Red Dog Farm Animal Rescue Network, the Guilford County Animal Shelter, and The Next Step Adoption Center. Pets can be a handful, but you won't regret giving them a good home. Plus, they'll pay you back in love.

-Katie McBride  
Town Clerk

Pinecroft Sedgefield Fire Department

The Pinecroft Sedgefield Fire District will begin their semi-annual fire hydrant testing on April 1st and will continue this operation throughout the month, finishing by April 30th. All hydrants in the Pinecroft Sedgefield Fire District will be tested to ensure that they are operating properly and are able to produce the required water pressure when needed. This testing also includes all hydrants in the Town of Jamestown.

Because this testing must be done during normal operating hours, it will be impossible to know in advance just when or where the testing will take place in any specific area. Opening hydrants can sometimes cause a temporary discoloration of water in nearby homes. The discoloration is not harmful in any way and can be cleared up by running the water for a few minutes.

This testing ensures the protection of citizens and is also an evaluation indicator used by the NC Response Rating System, which evaluates the fire district according to the protection they offer.

## GOLF COURSE MAINTENANCE

Spring is upon us finally and we hope it is here to stay for a long time. We have been closely monitoring our playing surfaces to identify any damage that might have occurred the last few months due to the winter. Jamestown's newly renovated greens seem to have endured the long, cold, hard winter with little to no damage. Some of our fairways and rough areas that have been susceptible to Winterkill in the past have given us some concern. Winterkill or low temperature stress generally occurs when you have prolonged exposure to freezing temperatures coupled with long periods of high winds and dry conditions. Lately we have had plenty of water and moderately cold conditions, but we have had some of the conditions that are favorable to injury earlier in the winter. Only time will tell. Please, come out and enjoy our Golf course that your Jamestown Golf course and Parks and Recreational staff have worked so hard to maintain.

Also the Soccer fields have started to receive some activity when the weather has been favorable. The JYL has already started to use our facility and the YMCA will begin using the fields starting April 7th.

We have also had Soccer Shots beginning their play for the little ones on March 16th. We would also like to remind everyone in Jamestown that we have Shelters for rent, and you can set up your reservations through Town Hall. Jamestown would love for you to come out and enjoy all of our available amenities, and hopefully Mother Nature will cooperate as well.

John Crowe  
Park Superintendent

## EMPLOYMENT OPPORTUNITY

### SANITATION TECHNICIAN

Semi-skilled work in sanitation collection and other tasks. Must be able to lift 50 lbs and be physically able to ride Sanitation truck. Must have valid NCDL. EOE. Excellent benefits.

Send application to  
Town of Jamestown  
PO Box 848

Jamestown NC 27282  
by April 6.

## Sam Wilson Retires

In May of 1998, Sam Wilson came to work at the Town as a Laborer I. Over the years, Sam moved up to Laborer II and then to Equipment Operator II. It's with much sadness, we say good bye. But it's also with joy, that we let Sam go. He will continue to run his lawn care business and enjoy some free time to ride his motorcycle and hunt.

The Town honored Sam with a reception on March 28 at the Ragsdale Civic Center. He's pictured with Mayor Lynn Montgomery.

**Public Services News**

Public Services has two new pieces of equipment—a new garbage truck and a mini excavator. The truck will replace the 2002 Freightliner garbage truck. Pictured to the right is the Public Services and Sanitation staff

checking out the new truck.

The mini excavator will allow Public Services to make repairs which would otherwise have to be contracted out. In the short time we have had the excavator, it has already been used for three repairs. Pictured here is staff making a repair on Cloverbrook Ct.
