- Aug 7 National Night Out

Deadline: Friday, August 3rd, 2018

Town of Jamestown Flag Design Contest

The Town of Jamestown is rich in history and full of unique qualities that make people proud to call it home. The **Jamestown Flag Design Committee** is looking for a design for a simple, meaningful flag that commemorates the past present, and future of our great town!

All design submissions should:

- Contain no more than 5 colors
- Fit on an 8"x11" sheet of paper
- Contain **NO** words or lettering
- Contain symbolism that represents the Town of Jamestown
- Be easily replicated and simple to draw

Designs can be submitted in person at the Town Hall or emailed to jtownflag@gmail.com.

All applications must contain a name, email address, and phone number, as well as a brief explanation of the significance of the flag design.

RECYCLING WILL BE PICKED UP EVERY MONDAY DURING 2018!

PARK PARTNERS

Call Kenny Cole at 336-454-1138 or visit Jamestown's website at www.Jamestown-nc.gov for more information on how to become a Park Partner.

Where retirement living takes on a whole new spirit.

HELLO FROM THE CLERK'S CORNER

Hello Jamestown,

I have had the wonderful opportunity to attend the Clerk Certification program held by the UNC School of Government this year. It is a four week program and I recently finished my second week. The program focuses on all the laws and regulations clerks need to know to ensure that the Town is compliant with the general statutes.

I am no stranger to the classroom. I received two degrees from Appalachian State University. However, this training has been a little different. It has been an abundant amount of information that is solely focused on helping me do my job to the best of my ability. It also allows for individual growth and helps public servants provide the best service possible to their citizens.

I am so grateful that the Town of Jamestown has allowed me to attend this educational program. It is wonderful to have an employer that prioritizes investing in their employees in order to improve their organization and the community as a whole.

The teachers at the UNC School of Government are extraordinarily knowledgeable and are experts in their field. They provide local governments with several amazing resources, such as blog posts, general statute updates, and are always available to answer any questions that arise. I know some of you out there may be haters of UNC for sports reasons, but you have to give them credit for their hard work in the local government field! I am so happy that I have been able to attend the Clerk Certification so that I can be the best clerk possible for the Town of Jamestown!

-Katie McBride
Town Clerk

Public Services News

Streets

Oakdale Road is currently being resurfaced. The segment in the vicinity of Bull Run Village is not being resurfaced at this time, as that area will be impacted by the NCDOT U-2412A Jamestown Bypass project, which should be awarded this summer. The bypass project will impact several roads affecting Jamestown, such as: Vickrey Chapel Road; Harvey Road; Oakdale Road; Bull Run Village - Chimney Court and Oak Village Drive; Dillon Road; Scientific Street; and Greensboro Road (W. Main Street). At this time the project is in the bid process, so we do not have a construction schedule. Staff will provide updates on the Town webpage as the project develops.

The street sign order for the 2017-2018 budget will be delivered soon. Staff will be installing new regulatory signs on Town-maintained streets. Several individual signs in town have been damaged this year, so those signs will be repaired or replaced.

Water and Sewer

We have two significant water and sewer projects in the proposed budget for next year. Water line improvements along West Main Street from Dillon Road to Oakdale Road are in the review process after coordinating some issues with NCDOT to minimize resurfacing costs. Staff is evaluating certain sewer segments that

will be near the NCDOT U-2412A bypass crossings to make repairs while access to these areas is in good repair. Due to the population of Jamestown, we were able to request that our utilities impacted by the bypass work be funded completely as part of the NCDOT roadway project.

Additionally, several small sewer repairs have been made in recent months; the sewer problems were found as we performed inspections of underground utilities.

EVENTS AT THE PARK

The Town of Jamestown is pleased to offer its annual "Music in the Park" series again for 2018. This year, Town staff have expanded the lineup and will be offering free music in the park on the first Friday of each month between May and October from 6pm-10pm! The one exception will be Tuesday, August 7th, when we will be celebrating National Night Out. At each event we will also be inviting food trucks, beer vendors, and tasty desert vendors! All of our events will be free and family & pet-friendly (on a leash, please!). To date, our lineup includes

Jun. 1, 2018 – The Plaids

Jul. 6, 2018 – Special Occasion Band

Aug. 7, 2018 – A.M. Rodeo - featuring Jessica Mashburn and Evan Olson (National Night Out)

Sept. 7, 2018 – Spare Change

Oct. 5, 2018 – The Dickens Band

The Town will host "National Night Out" on Tuesday, August 7th from 5-10 pm. National Night Out is a nationwide event

to help foster community camaraderie to make neighborhoods safer, more caring places to live. We plan to have a large group of community representatives including the Guilford County Sheriff's Department, Pinecroft Sedgefield Fire Department, a shred truck to shred any paper documents, live music, food trucks, and MUCH more! Stay tuned to the Town's Facebook site for details or, for information please contact Matthew Johnson at 336-454-7386 or mjohnson@jamestown-nc.gov.

The Jamestown Business Association will also be continuing their "Movies in the Park" on the third Friday of each month between May and October as well. The movie schedule is forthcoming, but stay tuned to the Town's Facebook site for more information.

Finally, the Ragsdale YMCA will be sponsoring FREE YOGA in the park each Wednesday evening (weather permitting) beginning on April 11th and going through August 22nd at 6:30pm. Each week, instructors will guide you through a beginner's-style yoga class to teach stretching, balance, and breathing. No experience is necessary! Just bring a mat or towel and a water bottle.

2018-2019 Budget

Town Staff has been diligently working since February on the budget for the 2018-2019 fiscal year. A budget workshop was held in February at the Jamestown Park Golf Course with the Town Council. Staff presented a beginning budget then asked Council for input. From that a Proposed Budget was crafted. At the May meeting, staff presented the Recommended Budget and a Public Hearing was held. The Council will vote on the Budget at the June 19 meeting. Residents may come by Town Hall and view the Recommended Budget or go to the Town website at www.jamestown-nc.gov to download a digital copy of the [Budget](#).
