

Dust off your dancing shoes, Music in the Park events will begin May 5th. Dante's Roadhouse will kick-off the season with originals and covers inspired by 60's and 70's rock music.

Food Trucks: Fresh Catch Seafood, Marty's BBQ, Giannos Wood Fired Pizza, Gunny Smith Hot Dogs, Gianno's Gelato, and Duck Donuts.

Four Saints will offer beer and Weathervane will provide wine to interested Patrons.

The next Music in the Park event will be held on June 2nd.

PINECROFT SEDGEFIELD

Winter is over and spring is coming on in! As it gets warmer, we tend to enjoy more time outside, this includes cooking with grills. Here are a few tips to stay safe:

- Never leave a grill unattended when cooking.
- Keep the grill at least 3 feet away from your home.
- When using propane ensure all the fittings are tight and there is no leaking gas.
- When using charcoal use approved lighter fluid and approved grill lighters.
- Always clean the grill before and after each use to ensure no flare ups happen.

These are just a few safety tips to help you enjoy burgers, steaks, and hotdogs safely!

Meet Our Newest Staff Members

Michael Graham spent last fall working with us through a temporary agency and came on full-time in January. He is a Sanitation Technician working with Chris Pierce. He has jumped right in with a positive attitude and has made a great addition to our Public Services/Sanitation team. When not at work, Michael enjoys spending time with his kids and playing for a semi-pro football team on the weekends.

Jason Pegram is our new Assistant Director of Public Services. He comes to us with over 18 years municipal and vertical construction experience. He will be working with the rest of the Public Services Department to keep our town running efficiently. In his spare time, he enjoys cooking, reading and working on his golf game. He is married with a two-year-old son.

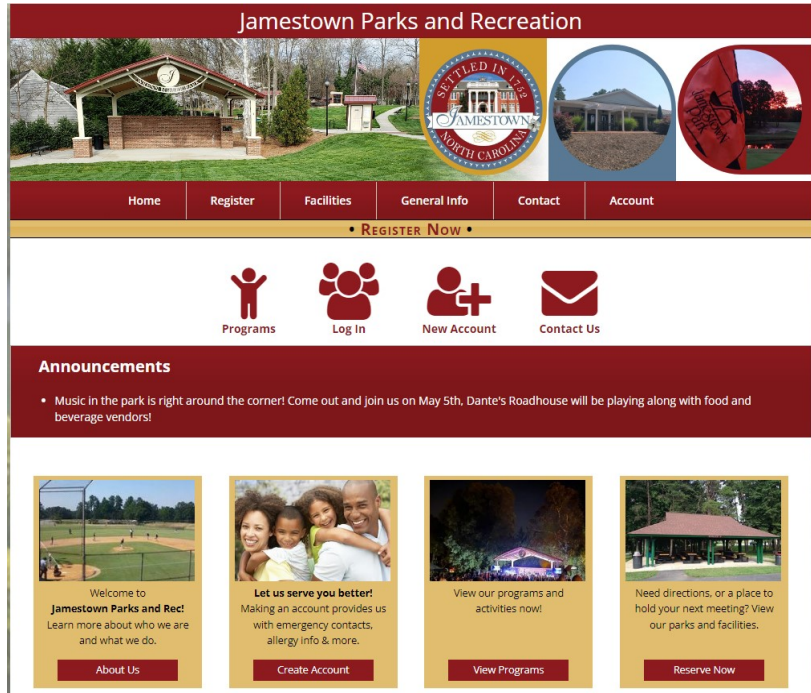

New to the Finance Department is Rebecca Ashby, Grants Administrator and Financial Analyst. She comes to us with many years of grants management experience. She will be working closely with Judy and Faith making sure we meet all the requirements of the grants that we have been awarded to date. Away from work, you may find Rebecca helping the Humane Society, Theater Alliance, or Körner's Folly in Kernersville.

Parks And Recreation Launches New Website

Visit the new Parks and Recreation website to explore facilities and activities offered in Jamestown. Just one feature allows residents to check availability of dates then reserve and pay for picnic Shelters online.

What is Stormwater?

Storm drains (like those found along curbs) do not go to wastewater treatment plants. Water entering storm drains flows untreated into streams, rivers, lakes and oceans.

Stormwater picks up and carries numerous pollutants into our waterways. Many of these pollutants can cause problems even in very small amounts; therefore we all need to do our part to keep our waters clean.

What is Stormwater Smart?

The Stormwater SMART Program and the Clean Water Education Partnership (CWEO) are cooperative efforts between local governments, state agencies, and nonprofit organizations to protect water quality from the Yadkin-Pee Dee, Roanoke, Cape Fear, Neuse, and Tar-Pamlico River Basins. These programs aim to protect North Carolina's waterways from stormwater pollution through public education and outreach, and helps public entities communicate the important fact the clean water is vital for healthy ecosystems and a high quality of life for area residents.

Teach me One Way to Help

With the Spring weather comes the use of pesticides and fertilizers. These chemicals are transported via storm drains and can cause toxins and algae to build up. Always read and follow the directions carefully, never apply before it rains and never use more than you need.

Questions Asked and Answered

When do I put any trash items that will not fit in the bin at the curb?

The first Thursday of each month will be bulk item pick up. Appliances will require a \$20.00 fee.

Why was my recycle can tagged with an orange note?

Items placed in your bin are not permitted at the recycle plant. The most common offense is plastic bags that get caught in the conveyor belts.
