### Jamestown Loose Leaf Collection Program

**October 24, 2022 to February 24, 2023**

The Town of Jamestown's annual Leaf Collection Program begins October 24<sup>th</sup>, 2022 and will end on February 24<sup>th</sup>, 2023. The program provides residents with the opportunity to have loose leaves collected at roadside without the need of bagging. The program is operated on a routing system that is based on our staff completing one leaf collection route of the town in approximately 3 to 4 weeks. Once a route is completed, then staff returns to the beginning of the same planned route and begins again. To participate in the Leaf Collection Program simply:

- **Rake leaves to the edge of your yard behind the curb.**
- **Remove sticks, rocks, and other debris which can damage the Town's equipment. If staff encounters debris in the leaf pile, they will not continue collection at the property.**
- **Do not park vehicles on, in front of, or near your leaves.**

The leaf collection program helps keep leaves from blocking storm drains and prevents decaying leaves from polluting lakes and streams.

In addition to the collection program, residents are encouraged to recycle their leaves by composting or shredding them and using them as fertilizer for lawns and gardens. You can also use leaves as mulch to protect plants and shrubs. For more information on mulching or composting leaves, call the Guilford County Cooperative Extension Service at (336) 375-5876.

Jamestown residents can also use the Town's year-round yard waste pickup for leaves. Simply put your leaves in clear plastic bags and set them at the curb on the regular yard waste collection day.

**The leaf collection route may change or be delayed due to inclement weather. The program does not service private streets.**

If you are interested in receiving collected leaves, contact Town Hall at (336) 454-1138 for consideration. In order to receive leaves, you must:

- ✓ have a clear dump site for the leaves
- ✓ have clear access and egress for the leaf truck
- ✓ be able to receive 25 cubic yards (approximately 3 to 4 tons) of wet or dry leaves
- ✓ understand the leaf loads may have contaminants
- ✓ accept the loads at no charge

## PINECROFT SEDGEFIELD

We are coming up on winter months and as it gets colder we all use different methods to keep our homes warm. Below are a few tips to follow when using any type of heater to keep your home warm.

- Be sure to plug your heater directly into a wall outlet; never use an extension cord.
- If using a flammable gas or liquid heater (propane, kerosene, diesel, etc.), be sure that heater is not left unattended.
- If using a wood stove or fireplace, be sure to have your chimney cleaned and inspected annually to ensure all components are working right. Never leave a fire unattended.
- Always have a Carbon Monoxide Alarm if you are using anything other than electric heaters.

### Newest Additions To Our Team

The Town has hired four new employees since the middle of September. Three of the new employees, Dana Benson, Ty Cheek and Karen Strausser, will be working at Town Hall. Tony Holder will be working in the Parks and Recreation Department.

Dana Benson joined the Water/Sewer Department as the new Utility Billing/Collections Manager on September 26th. She is a Jamestown native and lives in Town with her husband and children. Dana has several years of financial and customer service experience. She will oversee the day to day operations of the front office and assist citizens with their billing needs and questions.

Ty Cheek has joined the Planning Department as our new Planning Technician. His first day with the Town was September 20th. He is a graduate of WSSU and has recently moved to the Jamestown area from Winston-Salem. Ty will be working closely with Anna Hawryluk, Town Planner working on planning assignments. He has quickly settled into his new role.

Karen Strausser is our new Human Resources Analyst. She joined the Town on September 12th. Karen comes to the Town with several years of human resources and payroll experience. She will be working with the Town Staff regarding personnel needs, benefits, and other human resources duties as well as working with Finance on payroll.

Tony Holder joined the Recreation Department on September 23rd. He is a Groundskeeper and will help maintain the parks as well as assist with various events held by the Town.

We would like to welcome each of our new employees and look forward to the experience, knowledge and value they bring to the Jamestown team.
