

Greetings and Farewell

In the past months, we have had a few retirements and a new hire.

Judy Gallman retired after 17 years as the Finance Director. Her expertise and dedication to her job allowed Jamestown to receive the Certificate of Achievement for Excellence in Financial Reporting for many years during her tenure. The Town will be in good hands as Faith Wilson has been promoted to Finance Director.

The Town has hired Heather Lunsford as our new Deputy Finance Officer. Heather comes to us from the City of Archdale with a wealth of experience.

David Ingram retired after almost 35 years of service working as a Groundskeeper for the golf course. His retirement didn't last long as he has agreed to come back in a part-time position to help keep the golf course looking its best.

Cindy Grubb retired from the Golf Course after almost 7 years of service to our clubhouse patrons.

Two Open Town Council Seats

Voters in Jamestown will participate in a Primary election on October 10th to narrow the council candidates from 5 to 4. The Primary will be held in the Civic center at Town Hall from 6:30am to 7:30pm. Two candidates will be elected to serve a 4 year term.

Town residents are encouraged to attend a Town Council Candidate Forum sponsored by the Jamestown Business Association on Sept. 26th at 6:00pm in the Civic Center to learn more about the candidates running to serve Jamestown residents.

The Civitans will also host a session in the Civic Center on October 5 from 7:00pm to 9:00pm.

The more you know about the 5 candidates running to represent you at the Town meetings, the more confidently you will be able to cast your vote.

Annual Fall Litter Sweep

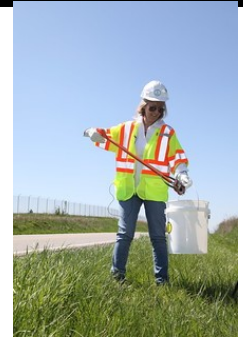

Help Keep Jamestown Beautiful!

Join the annual Fall Litter Sweep on Saturday, September 23rd to help clean up.

Wear long sleeve shirts and high top shoes to protect against unforeseen hazards. Gloves, safety vests, and bags will be provided to all participants.

All participants will meet in the Food Lion Parking lot on Main Street at 9:00am.

RSVP to 336-454-1138

Thinking about a building project?

Call the Town of Jamestown’s Planning Department to ask if you’ll need a Development Clearance Certificate. Projects like sheds, driveways, building additions, pools, and more require a Development Clearance Certificate before any construction begins. The certificate will ensure that any new structures are built to Town standards. It also protects the property of Jamestown residents as well as Town property. Development Clearance Certificates can cost between \$25 and \$75 depending on the size of the project. So, if you or anyone you know may be interested in building in Jamestown; please call the **Planning Department at 336-454-1138** or send an email to tcheek@jamestown-nc.gov.

Yard Waste Containers Have Arrived

Jamestown has been notified by the City of High Point that a fine will be incurred if the Town disposes of yard waste in plastic bags at disposal facilities. The Town has been forced to find alternative methods for the collection of yard waste.

Residents now have a choice of purchasing Bio-degradable paper yard waste bags or a toter to wheel to the street.

Interested residents can purchase the toter at Town Hall for a one time fee of \$60.00 and it will be delivered to your

residence. The toters will be emptied on Thursday or Friday of each week.

PINECROFT SEDGEFIELD

With fall around the corner, we tend to enjoy more time outside cooking with family and friends.

Here are a few tips to stay safe:

- **Never leave a grill unattended when cooking.**
- **Keep the grill at least 3 feet away from your home.**
- **When using propane, ensure all the fittings are tight and there is no leaking gas.**
- **When using charcoal, use approved lighter fluid and approved grill lighters.**
- **Always clean the grill before and after each use to ensure no flare ups happen.**

These are just a few safety tips to help you enjoy any outdoor cookout safely!

**Derek Carson—Fire Chief
Pinecroft-Sedgefield Fire District, Inc.**

Nov. 7		Election Day	Civic Center

JAMESTOWN PARK

Although we will miss the long days of summer, we are looking forward to some cooler weather!

Our golf shop hours will change slightly after Labor Day. Tee times will start at 8:00 am Tuesday through Sunday and will begin on Mondays at 10:00 am. The golf shop opens 30 minutes before tee times begin and will close 30 minutes before sunset.

We also have some exciting new changes at the course. The blue bird is back as our logo. We have switched our 9s around with hole 1 now beside the driving range and hole 18 ending at the clubhouse. It's a great finishing hole for tournaments and allows golfers to sit on the patio and watch others finish their round.

We look forward to seeing you out at the course!

Jamestown Park Golf Course operating hours:

Monday: 10 am—7:30 pm

Tuesday—Sunday: 8 am—7:30 pm

Rentals for events at the Club House Mendenhall room are available for daytime and evening events.

For reservations call 336.454.4912.
