Jamestown Park has been played on and well-loved since 1972. The park's golf course, volleyball court, basketball court, shelters, and playground have received (or are currently receiving) upgrades to better serve the Jamestown Community.

While working with local schools to determine a wish-list for a recently funded universal design playground, it became evident that the existing restroom building is lacking essential accessibility and comfort needs to serve our community. Additional funding is needed to update the restrooms to an ADA model, accommodating the need for adults and children of all ages to have the accessibility and comfort items, such as adult changing tables, that will make a day at Jamestown Park not just another day at the park.

The Town also recognizes a lack of connectivity to the basketball court, an ADA walkway would be installed to provide access to individuals of all abilities to shoot hoops with their friends. The Town will be holding an information session Wednesday April 3, 2024 from 4-6pm at Jamestown Park Shelter # 1.

Music In The Park Returns

May 3rd will launch the Music in the Park lineup for 2024. Mark your calendar and kick off the summer concert series at Wrenn Miller Park from 6-10 pm.

The entertainment, for May will be the Alek Ottaway Band.

Please follow the Town's Facebook page for a list of dates and bands joining us this concert season.

Spring Clean Up

Spring is here! Warm weather not only brings people out more, but critters too. To ensure you don't end up with insects or snakes in your yard, the Town advises keeping your lawn 6" or less. This will protect not only you, but your neighbors as well. If you have any questions or concerns about grass length, please call Ty Cheek at 336-454-7392 or send an email to tcheek@jamestown-nc.gov.

Yoga In The Park

Bring your mat and join a free session of Yoga in the park.

Every Wednesday from 6-7pm at Wrenn Miller Park

Yoga will begin in May and continue through August.

The free Yoga sessions are sponsored by the Mary Perry Ragsdale
YMCA

Arbor Day

Did you know Arbor Day is a different day in different states? Nationally, Arbor Day is celebrated the last day of April, but in NC it's the first Friday following March 15th. This year, NC Arbor Day falls on Friday, March 22nd! Every year, the Town works with different groups to plant trees around Jamestown, past groups have included scout troops and Publix staff. This year, the Jamestown Golf Association (JGA) has volunteered to help!

Wondering what you can do at home to celebrate? March 22nd may have passed, but it is still a great time to plant trees, pick up litter, and just get outside to enjoy the great outdoors! Some great resources can be found through the NC Cooperative extension. You can visit their website at www.ces.ncsu.edu

Pinecroft Sedgefield Fire Department

The PSFD will be conducting hydrant testing during the months of April and May on Mondays – Thursdays. During this time, firefighters will be out in the district inspecting fire hydrants to ensure they are functioning correctly in the event they are needed for firefighting operations. Due to the process of flowing water, homeowners may experience discolored water within their homes. This is normal and can be resolved by running the cold water from a faucet until the water clears.

Please use caution as you see us out on the roadways.

Derek Carson—Fire Chief
Pinecroft-Sedgefield Fire District, Inc.

Park Shelter Reservations

As the weather warms, are you looking to gather for a picnic? The Town has 2 shelters at the Jamestown Park for rent to hold your guests. All shelter rentals are now completed online at www.jamestown-nc.gov under the Parks and Recreation tab. You will be asked to set up an account. You will have access to the calendar to see available dates and pay online.
