DCPA EVENT SERVICES

LEAVE YOUR GUESTS STARSTRUCK

DCPA Event Services is a division of the Denver Center for the Performing Arts, a 501(c)(3) non-profit organization that engages and inspires our community through the transformative power of live theatre. As a mission-driven non-profit, we know firsthand how to craft memorable events that support a cause — and work within your budget.

When you host an event with DCPA Event Services, our team of theatrically trained, in-house professionals will be by your side every step of the way to make sure your special occasion gets the standing ovation it deserves.

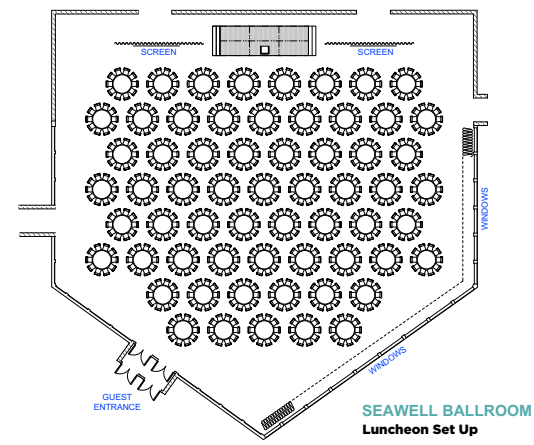

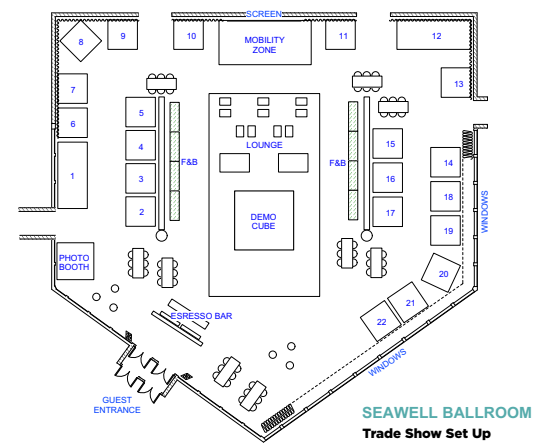

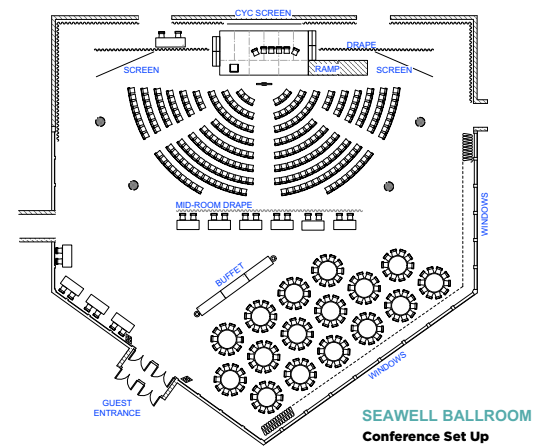

No vision is too extravagant — let’s make your dream a reality together.

“It’s honestly so easy to work with all of you and count on your expertise and kindness throughout the process! Thank you for accommodating last-minute changes and troubleshooting all the day-of details. Looking forward to many more events!”

- Biennial of the Americas

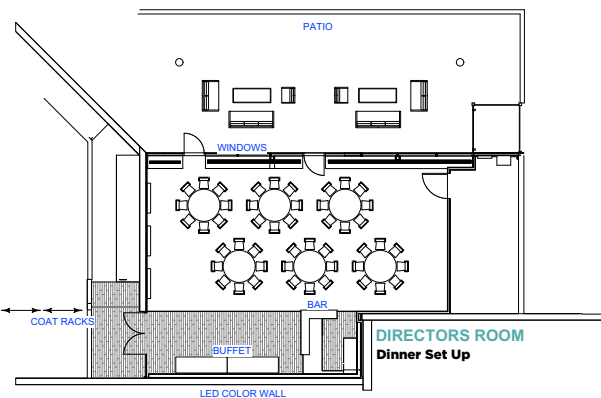

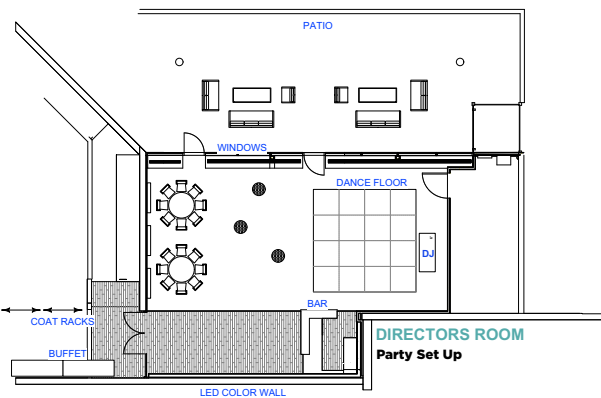

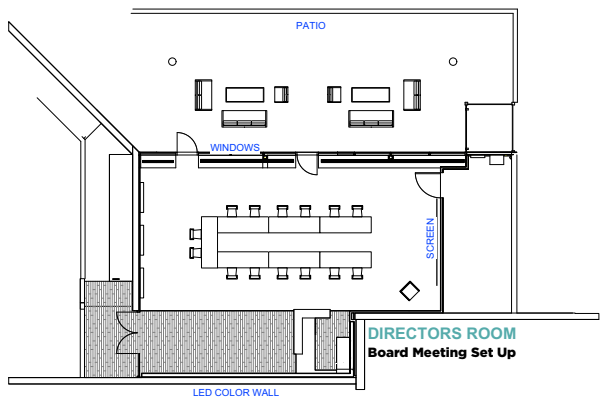

SEAWELL BALLROOM

The Seawell Ballroom is a sweeping, 10,000-square-foot canvas made to host the region’s most spectacular events. With its mile-high waveform ceilings, west-facing windows, and unparalleled A/V capabilities, The Seawell is perfect for occasions that demand an extra dose of showmanship.

DIRECTORS ROOM

The Directors Room combines modern décor with warm, natural light, and cutting-edge presentation technology. With its attached veranda, this intimate venue offers a unique opportunity for indoor-outdoor events, making it the perfect space for cocktail receptions, board retreats, or any other gathering that requires a more private, refined setting.

THE ATRIUM

Create a sophisticated sensibility for your next event with our spacious Atrium. Host a Seawell Ballroom pre- or post-event reception with an open bar and hors d'oeuvres. Set the scene for your conference and encourage networking in an open, airy space. Whatever the occasion, The Atrium is sure to make an impression.

WOLF THEATRE

The Wolf Theatre is the largest of the four theatres in the Helen Bonfils Theatre Complex. Following a massive renovation in 2021, this thrust-style theatre is a blank canvas where you can unleash your creativity and captivate your audience. No seat is more than 13 rows from the stage, providing excellent, unobstructed views for every guest.

KILSTROM THEATRE

Our Kilstrom Theatre is a space where your entertainers or keynote speakers take center stage. With its theatre-in-the-round design, The Kilstrom offers endless opportunities for creative staging and immersive effects. Your guests will be able to see the action on stage and the reactions of their peers, making this venue an excellent forum for discussion.

SINGLETON THEATRE

Originally opened in 1979 to house art films in the Helen Bonfils Theatre Complex, the proscenium-style Singleton Theatre has been used for live theatrical performance since 1988. Channel that legacy of artistry and engage with your guests in one of our most intimate spaces.

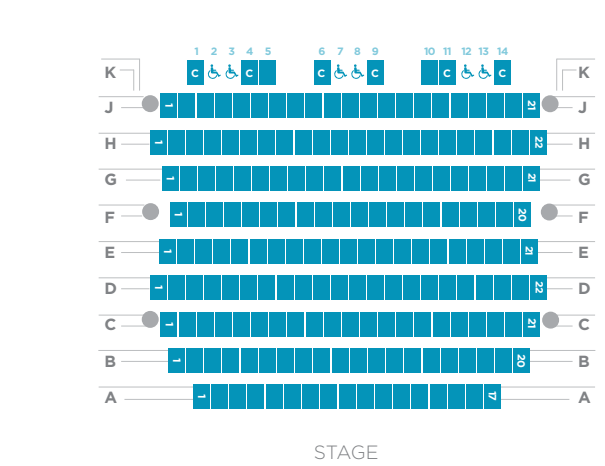

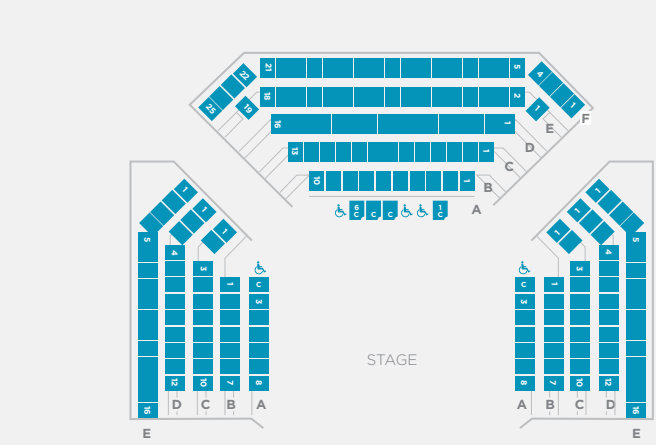

Photo by David Lauer

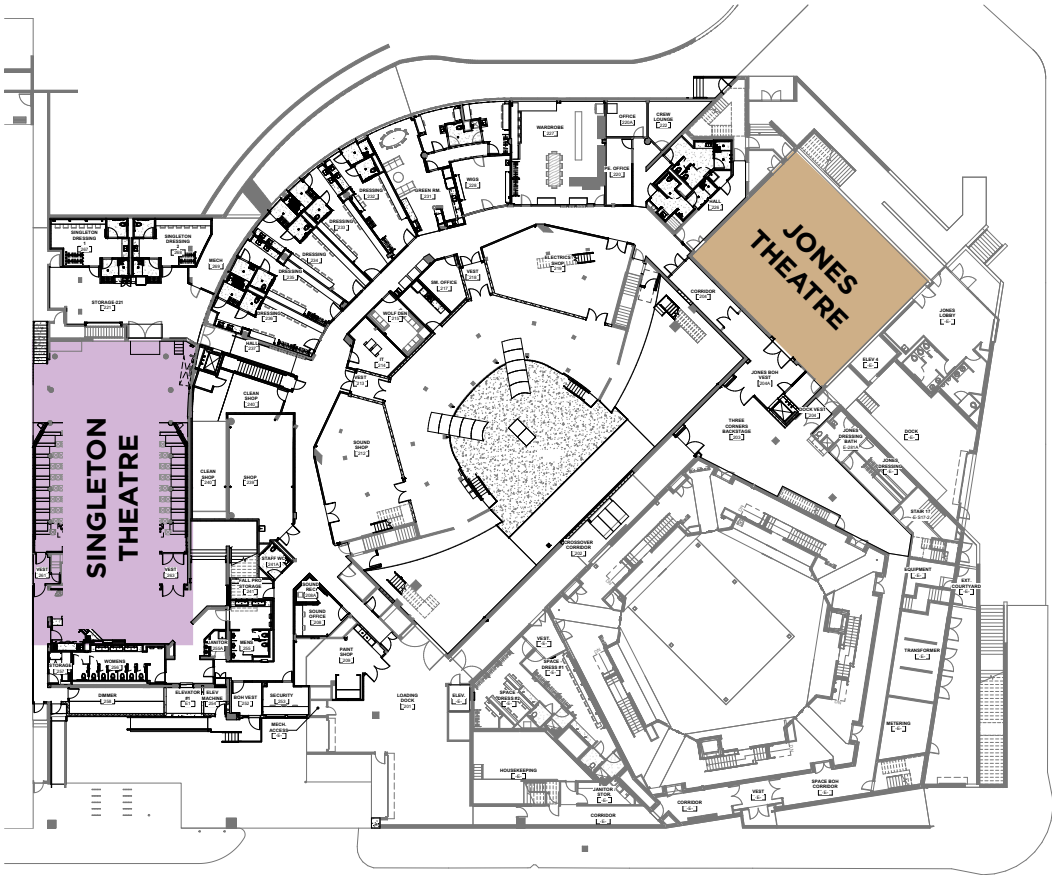

JONES THEATRE

The Jones Theatre is 196 seats of pure, no-frills theatrical innovation, where you never know what will happen next. The thrust stage and tiered seating of this black-box theatre space make it the perfect setting for one-of-a-kind, interactive experiences.

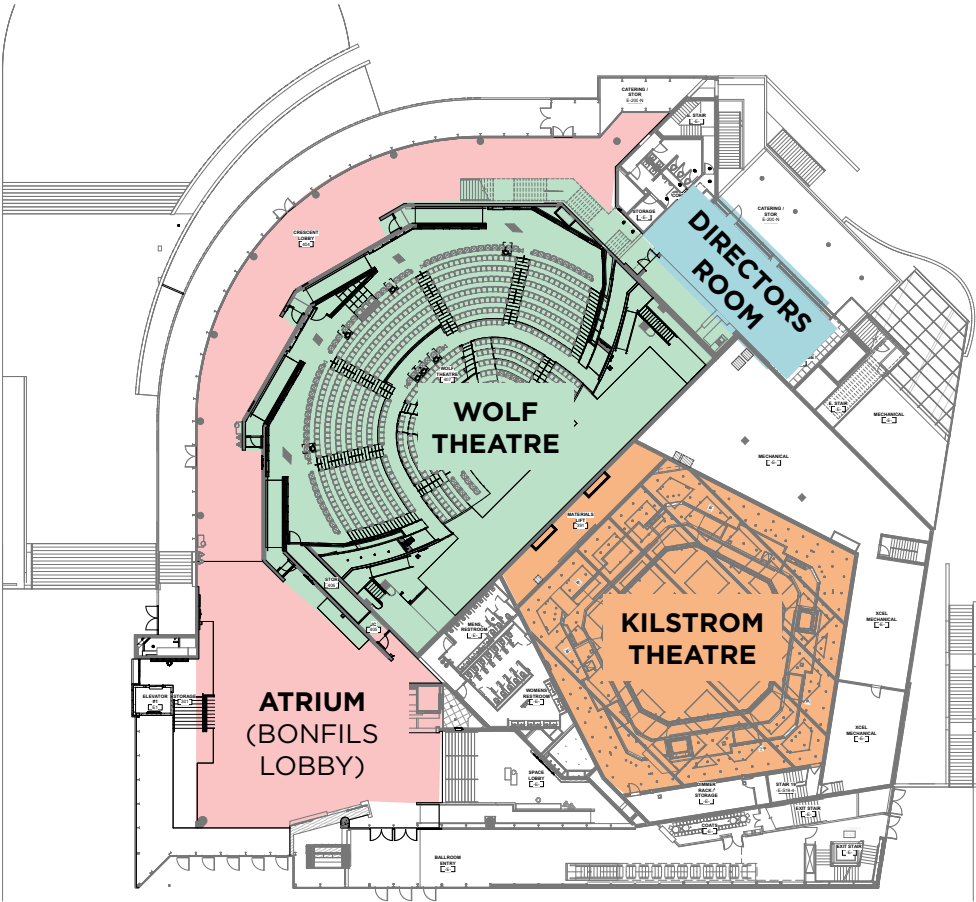

Availability is limited during the theatre season (Sep – May), when the theatres are in use for Theatre Company productions and DCPA Education initiatives.

Our theatrically trained technical staff offers full video, lighting, and audio production services.

"Every team member we interacted with was approachable, professional, and eager to assist. Their deep knowledge of the venue and event logistics ensured a smooth planning and execution process. The technical staff ensured a flawless A/V setup and program execution, handling every detail with precision."

- Colorado Bioscience

“The DCPA team was great, and our event ran smoothly because of their attention to detail and support. Our Event Manager was communicative, attentive to our needs and was wonderful to work with throughout the entire process. Looking forward to hosting more events with the DCPA team in the future!”
