Hello Sportsworld Family!

As we begin our process of preparing for Sportsworld 2020, we strive to over communicate to you throughout these seemingly uncertain times regarding COVID-19 and it's impact on our camp this year.

Tentatively, Sportsworld camp is still going to be June 22-26th at Denton Bible church. However, there are still many unknowns with what the status of life in Denton will even look like in June.

It's hard to determine (at this moment) if we'll be able to have camp this year at our normal time in June, but we still want to move forward with sign-ups now as usual, so if God allows camp to happen THE LAST WEEK OF JUNE, then we'll be ready to go!

However, unlike in years past, there will not be any required payment upon registration for your camper. We hope this provides more flexibility and convenience for your family in these uncertain times. Once we can determine if and when Sportsworld 2020 can happen, we will contact those who have signed up and allow them to pay for camp or cancel if they need to.

The safety and care of our campers and counselors is always our number one, so please know we will postpone or cancel Sportsworld 2020 if it becomes clear to us that it will not be a realistic option.

Our theme this year is "GLOW" and I find it very fitting to what we're surround with at this present time. Will you please join us in praying for those impacted by COVID-19? That we will all be able to GLOW in this unique time and display the LIFE and LIGHT of Christ to a darkened world.

We love y'all!

-Your DBSM "Sportsworld" Staff
