## Sportsworld 2020 - Update on this year's camp

Howdy Sportsworld Families,

First, we wanted to thank you so much for already signing up to be a part of Sportsworld 2020. Every year it's incredible to see God work in the hearts and lives of our campers and families involved, thank you for your continued partnership with us!

With this email we wanted to update y'all on what has been decided for Sportsworld 2020.

Unfortunately, in person Sportsworld has officially been "cancelled" for this year.

Due to the guidelines given to us by the Government and the hundreds and hundreds of people involved in Sportsworld, the decision came as easy as it could have been. DBC staff and Elders have also decided that Sportsworld simply cannot measure up to the guidelines that were given to us in a safe and respectful manner.

Camper safety is our number one priority and we believe that this decision is in the best interest of all involved. We've looked at this situation from every angle and given it our best attempt to still have camp in person, but in every scenario it proved to be too much for the unique days we find ourselves in.

Personally, this is painful for me to say in one sense, Sportsworld has been time and time again my favorite week of the summer! From when I attended as a little camper, served as a volunteer, and now on this side of things. In another sense, this decision became easier as we remembered that our camper's and volunteer's safety and wellness has always been our number one – and will continue to be so moving forward.

Now for some good news! We don't love using the word "cancelled" because for the first time ever (and hopefully last), we will be producing Sportsworld In The House for our campers!

We will be releasing short episodes each day for our campers filled with all things Sportsworld to watch at home!

This daily virtual experience Sportsworld In The House will air the normal week of camp June 22-26, starting every morning at 11am. This virtual camp experience will cost each camper \$20 and will include five daily episodes released at 11am each day (password protected link) and also a camper box delivered to your doorstep on Monday morning including some amazing gifts, treats and other fun surprises for your camper(s)!

You can go to this link to sign-up to be apart of this historic once-in-a-lifetime week of Sportsworld:  
[www.sportsworldcamp.org](http://www.sportsworldcamp.org)

One amazing benefit for doing this year's Sportsworld online is the fact that we can have our normal number of campers participate! With that said, please share this new information about Sportsworld In The House with any family you think might benefit from this virtual camp experience.

We appreciate your understanding and flexibility with us during these unique days. If you have any questions please feel free to contact us.

Looking forward to hopefully seeing you soon at Sportsworld In The House!
