

Ecclesiastes 8:2-12

“Don't let what you can't control ruin what you can enjoy.”

v 2 All must die

v 3 and evil is incurable as men are hopelessly insane

v 4 but life is still good

v 5-6 Because the living have “hope.” They can change.
A living dog can become a lion.

As life will instruct you or destroy you.
God is the author of reality.

v 7-8 But there are 3 things for the believer

1. Be happy in today

v 9 2. Love your family

v 10 3. Work hard

v 11 However, you still cannot control life,

v 12 ... nor can you control death
