

The Preaching Prophet

Jonah 3

Introduction

I. The Preacher:

- A second chance:
- And forgets all
- But he must walk in a new direction
...an opposite direction
- But the message stays the same

II. The Message:

- One of mercy
- For a fixed time
- One of judgment
- One with a sign of death and resurrection
- And it's a hard message

III. The Revival:

- It spread to all, rich and poor
- It brought a conviction of sin
- And mourning
- Normal life stopped
- It spread by word of mouth... all were talking of God
- It was a message of mercy
- With an attendant sign
- The works vindicated their faith
- God was true to His word
- And the revival came from a *flawed* messenger
