

# Decision Making and the Will of God

## *Introduction*

1. **God's Sovereign Will.**  
This you trust in.

2. **God's Revealed Will...**the right or wrong.  
This you obey.

3. **God's Neutral Will...**or Non-Moral or non-Revealed  
...the right or left.

This you seek...  
...and this is where most of our problems lie.

---

## *What should we do?*

1. We do not have to discover **a revealed will** in a non-revealed area  
“How would we?”  
“What would be our apparatus?”

2. Men are never culpable for a right or left decision.

3. We are given freedom to act, privilege to choose.

4. Listen to your heart, longings, burdens.

5. Seek an “abundance of counselors.”

6. Don't be hasty.

7. You must be walking in God's moral light.

8. Pray for Providential guidance.

9. Then act...knowing God will guide. Do what you want. “It's ok.”
