# Domino Number Bonding.

Count the dots on each domino. Write it and add them.

A domino with 3 dots on the left half and 1 dot on the right half. Below the domino are three empty circles: two smaller circles on top and one larger circle on the bottom, connected by lines to form a number bond.

A domino with 2 dots on the left half and 4 dots on the right half. Below the domino are three empty circles: two smaller circles on top and one larger circle on the bottom, connected by lines to form a number bond.
