

Name \_\_\_\_\_

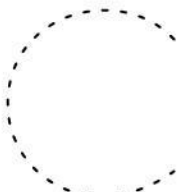

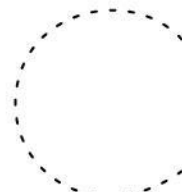

Date \_\_\_\_\_

## Match the sound

Say each letter and sound it. Trace the letters. Cut out the pictures below.  
Paste the picture whose beginning sound matches the letter on each row.

			
-----------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	--

			
------------------------------------------------------------------------------------	------------------------------------------------------------------------------------	------------------------------------------------------------------------------------	--

			
-------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------	--
