# Trace the path

Color the pictures. Use a crayon to trace the path of each animal

The worksheet contains four columns, each representing an animal and its path:

- Column 1:** An elephant. Below it is a dashed line starting from a crayon icon with a downward-pointing arrow.
- Column 2:** A fox. Below it is a dashed line starting from a crayon icon.
- Column 3:** A penguin. Below it is a dashed line starting from a crayon icon.
- Column 4:** A raccoon. Below it is a dashed line starting from a crayon icon.
