# Counting Pumpkin Seeds

Count the seeds in each pumpkin and write it.

A large rectangular frame containing 14 pumpkins arranged in four rows. Each pumpkin has a stem and a circular area below it for writing the count. A spider is hanging from a vertical line above the second pumpkin in the second row.

3 seeds	7 seeds	Spider	5 seeds
	6 seeds	2 seeds	
1 seed		6 seeds	5 seeds
	5 seeds	7 seeds
