Christmas Fun at School

A 'Let's Read Together!' Book

We were **asked** to complete some Christmas tasks. Sam was a chef and Kit came up with a chute to help Santa transport the presents.

On Saturday, it was the Christmas fair at school **where** Santa landed on the playground with a parachute! It was amazing!

First, it was the school Christmas festival. It was in the school hall. People **loved** singing along to our Christmas songs.

Sam won a prize and she was so surprised! Then it was time to go home.

It was the best Christmas fair ever!

We were enjoying the fair so much that we got to stay on for a bit longer. Mum and Dad said we **could** go to one last stall.

Mr Adams forgot some of the chords but **Mrs** Tan said we all did well. Mum and Dad **looked** so proud of our singing!
