

Greater Than or Less Than

Parents: In year 2, children are taught the 'greater than' and 'less than' symbols (< and >), alongside the 'equals' symbol (=), and begin to use these symbols in number sentences. They often learn that the < and > symbols resemble a crocodile's mouth, and the crocodile always eats the bigger number (for example $45 < 84$, $32 > 20$). Children begin by using single numbers on each side, and then may move on to using an addition or subtraction fact on one or both sides - for example $6 + 4 < 20$ or $12 > 2 + 5$. They may also look at putting an addition or subtraction fact on both sides of the 'equals' symbol (for example $6 + 4 = 7 + 3$).

Greater Than or Less Than

Put the correct sign (<, > or =) between these numbers.
Remember – the crocodile always eats the bigger number!
