# Monday

There were 8 birds on a line. 2 birds flew away.  
Then 4 more birds flew onto the line.

How many were on the line then?

# Tuesday

Niamh jumped 35 times on the trampoline.  
Her friend Sally jumped 9 times.

How many jumps did they jump altogether?

# Wednesday

There were 32 children at a party. 19 of them were boys. The rest were girls.

How many girls were at the party?

# Thursday

Seán ran for 15 minutes. Ellie ran for 9 minutes. Cara ran for 6 minutes.

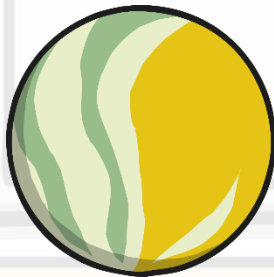

How many minutes did they run for altogether?

# Friday

Paddy had 34 marbles. His mom gave him 10 marbles each day for the next 4 days.

How many marbles has he now?
