

A Special Little Girl

A Special Little Girl

A 'Let's Read Together!' Book

We crept into the hospital room,
where Aditi and Diya were.
She was so cute and little!

After we had seen Aditi, we went to
Grandpa Dada and Grandma
Dadi's house. Sam did swirls and
twirls for us. Grandpa Dada and
Grandma Dadi did, too!

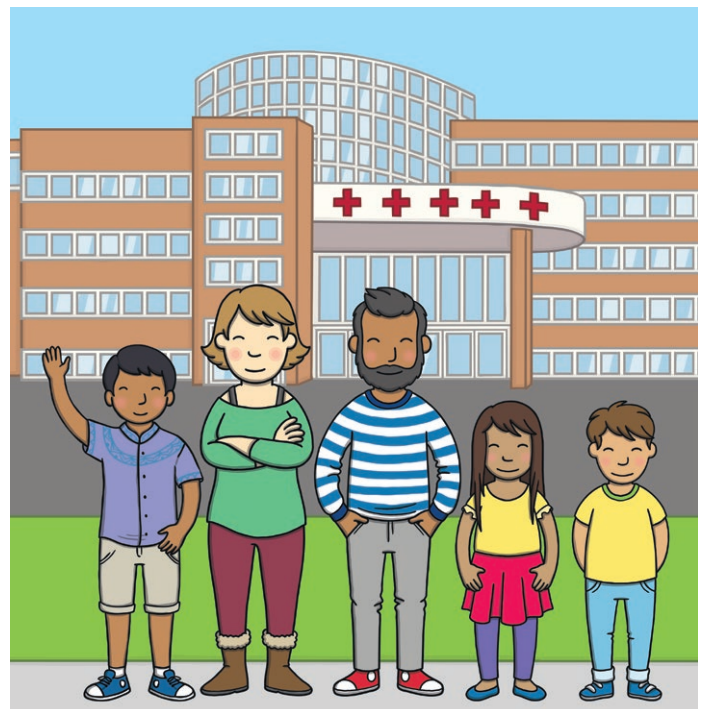

Grandma Dadi told us that Aditi had given birth to a girl!
She was called Diya.

Grandpa Dada then put people to **work**. All of us had a job to do!
We had to clean the **house** so that there was no dirt.

We asked if we could see Cheeko and Gizmo.
Grandma Dadi said that sometimes they chirp all day long!

We asked to visit her in hospital.
Ankit met us outside.
He had just had his birthday he was thirteen years old.
