

# Personal Pronoun I

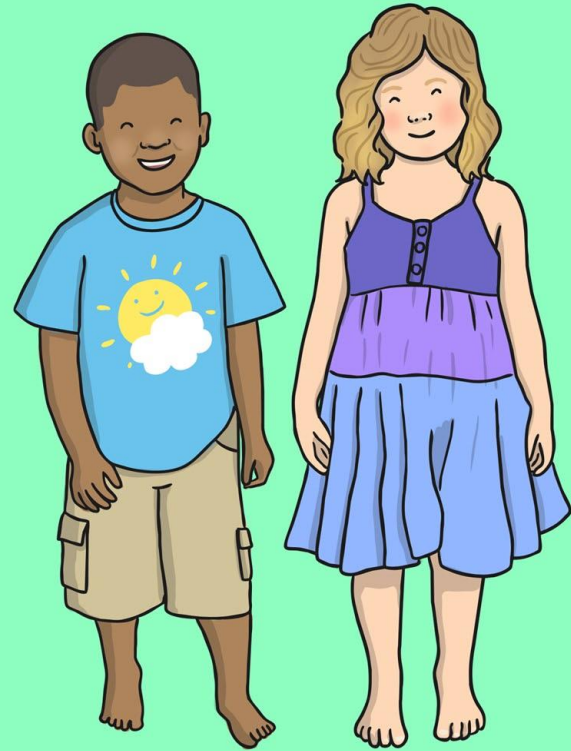

Did you know that we use a capital letter for the word I? When you are talking about yourself, you say 'I'. It is the same when you write it.

For Example:

**I** like football.

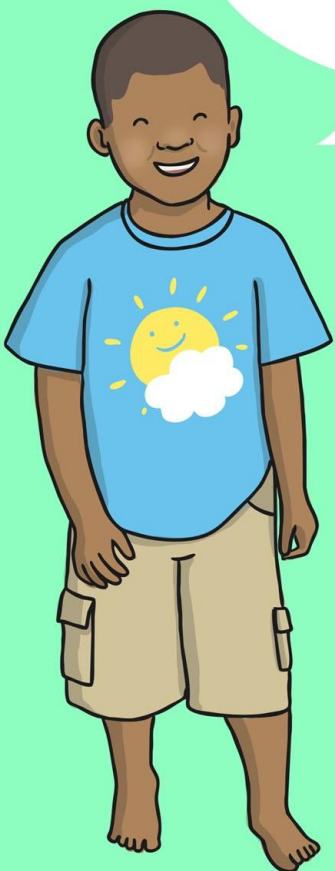

**I** am six years old.

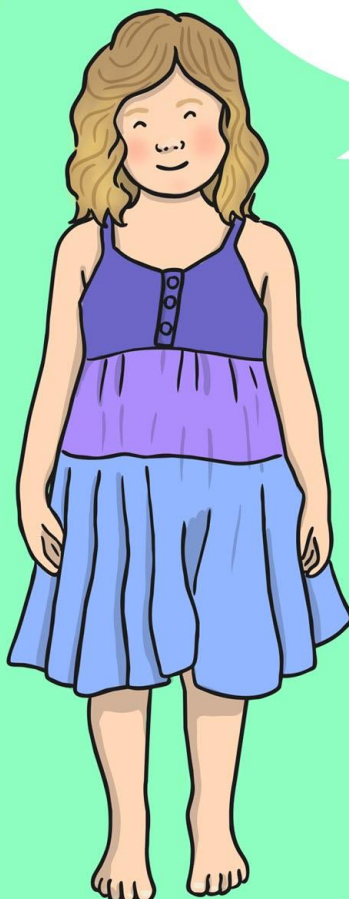

It would not make sense if it said, "At the weekend **i** went swimming."

**I** have a blue t-shirt.

**I** like singing.

**I** have a brother.
