

Number and Algebra | Half of a Shape

|  |  |  |
|--|--|--|
| <b>I can find <math>\frac{1}{2}</math> of a shape.</b>       |  |  |
| I can find $\frac{1}{2}$ of a shape.                         |  |  |
| I can explain that $\frac{1}{2}$ is 1 of 2 same size pieces. |  |  |
| I can find $\frac{1}{2}$ in different ways.                  |  |  |
| I can explain why 2 halves make the whole shape.             |  |  |
