

# Lunch

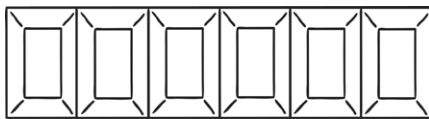

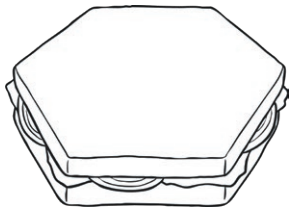

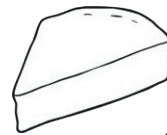

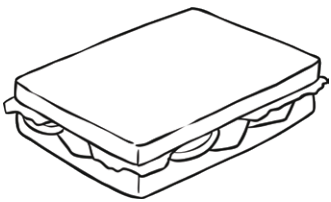

Cut and stick the food to share it equally between Leo and Lucy.

	
--	---

# Lunch

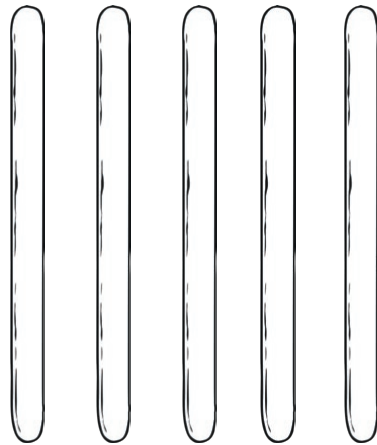

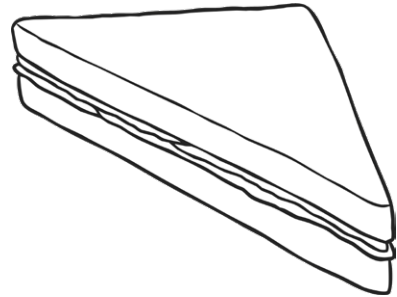

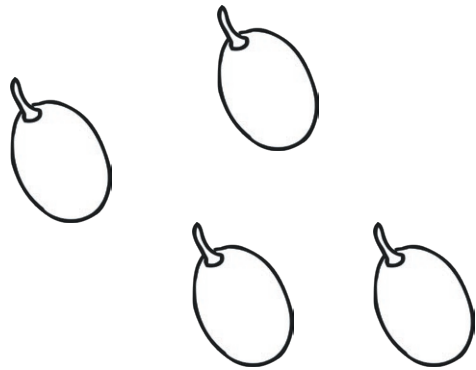

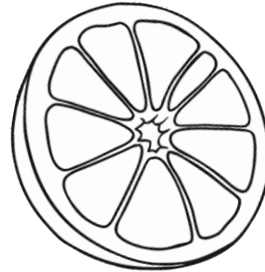

# Lunch

Lucy has shared her lunch with Leo.

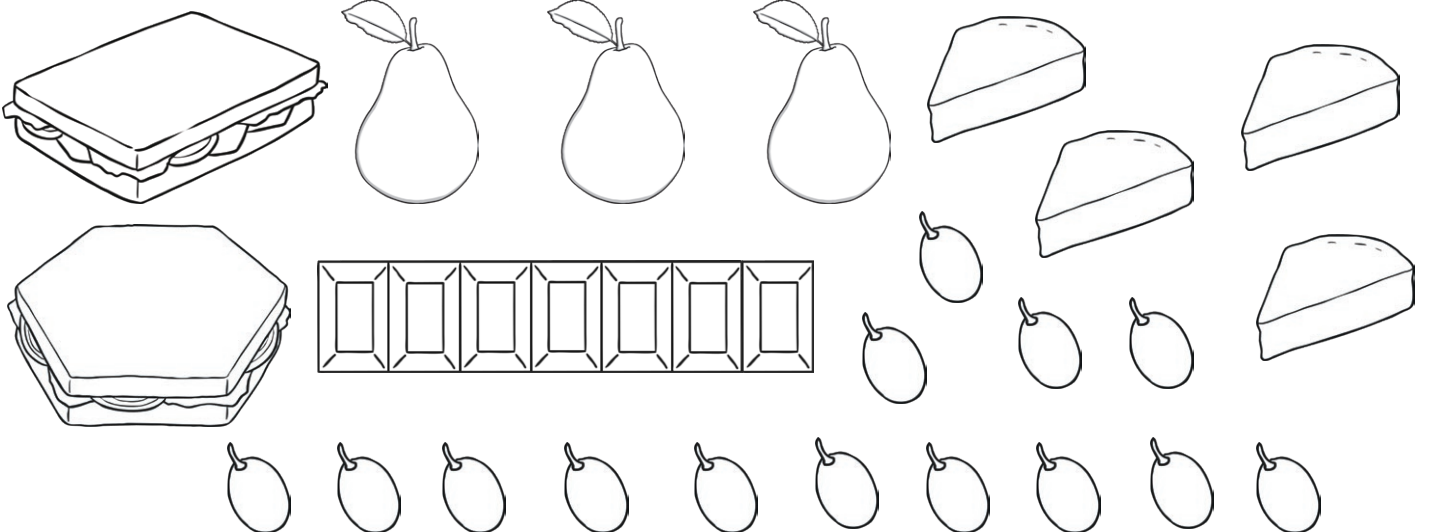

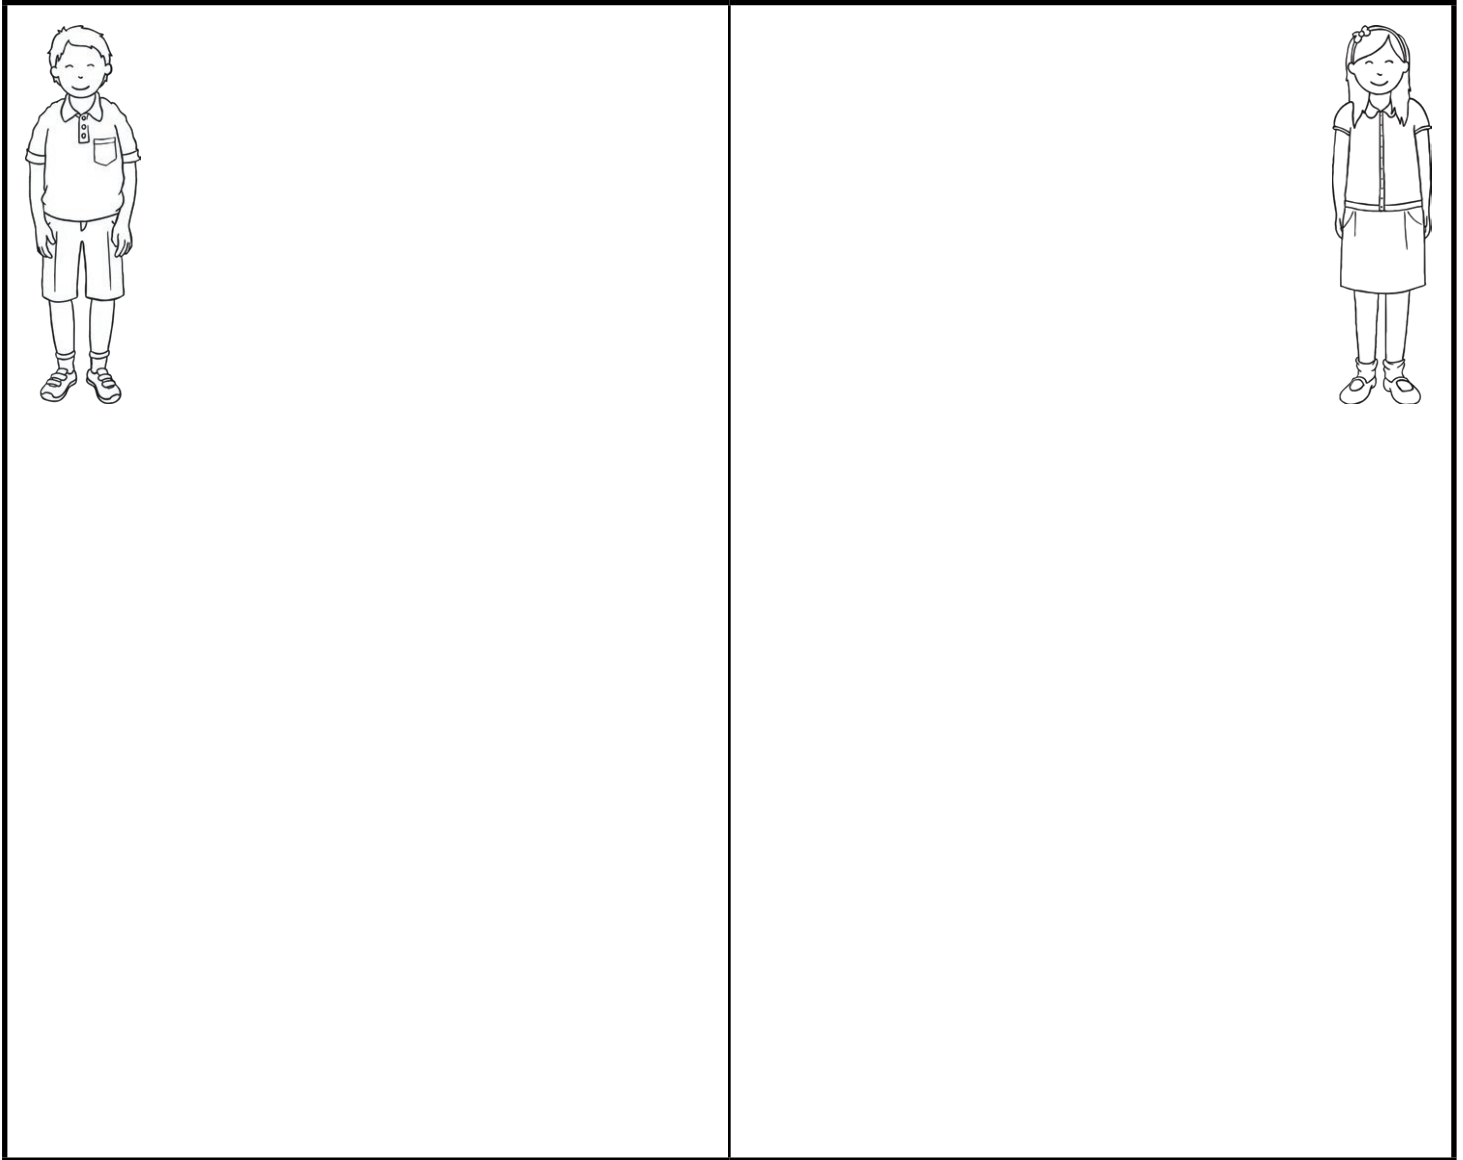

This is what she has to eat. Can you draw what Leo has to eat?

# Lunch

Cut and stick the food to share it equally between Leo and Lucy.

# Lunch

Lucy has shared her lunch with Leo.

This is what she has left. Can you draw what she had to begin with?

The left section of the frame contains the following items from top to bottom:

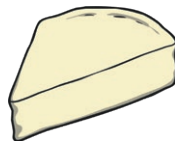

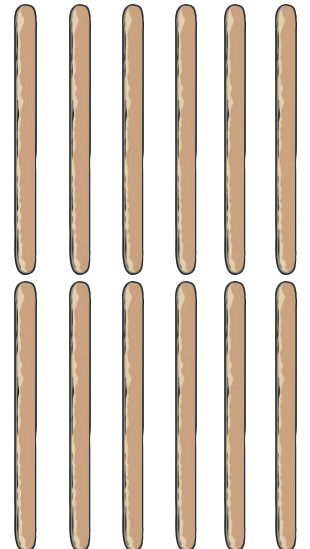

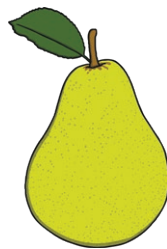

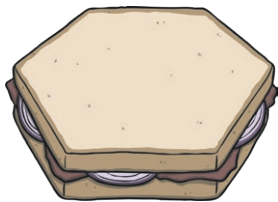

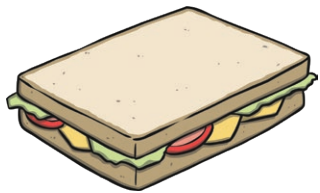

- A line drawing of a girl with a ponytail, wearing a short-sleeved shirt and a skirt.
- A whole orange with a stem and leaf.
- A slice of orange showing segments.
- Seven small, round fruits, possibly olives or grapes, arranged in two rows (four in the top row and three in the bottom row).
- A triangular slice of a sandwich.
- Five vertical sticks of candy.

The right section of the frame is empty.

# Lunch

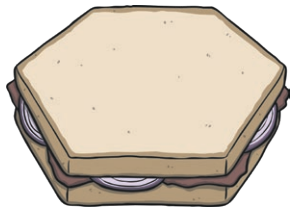

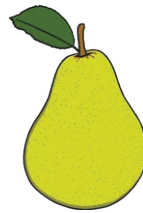

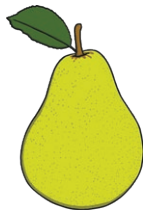

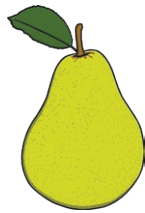

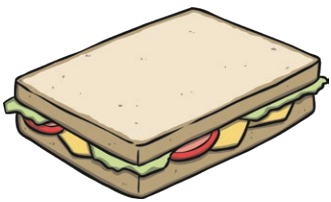

Cut and stick the food to share it equally between Leo and Lucy.

# Lunch

Lucy has shared her lunch with Leo.

This is what she has left. Can you draw what she had to begin with?

The left section of the frame contains the following items from top to bottom:

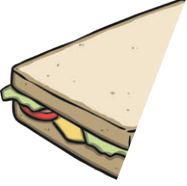

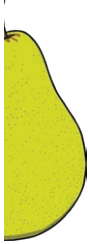

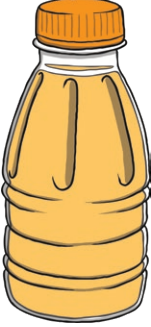

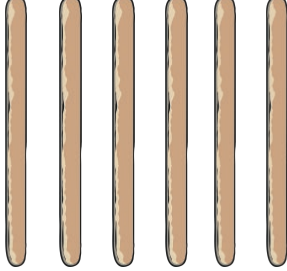

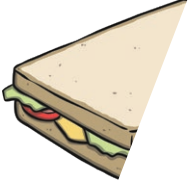

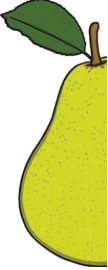

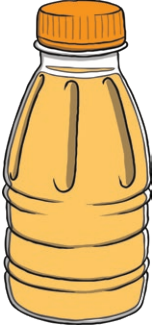

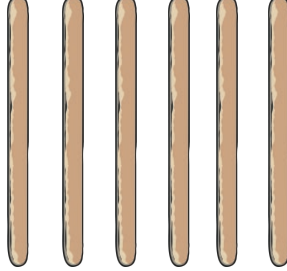

- A girl with brown hair, wearing a light blue dress and white shoes.
- A whole orange with a green leaf.
- A sliced orange showing its segments.
- Eight green grapes arranged in two rows of four.
- A sandwich with lettuce, tomato, and cheese on whole-grain bread.
- Five sticks of bread standing vertically.

The right section of the frame is empty.

# Lunch

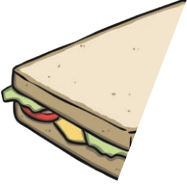

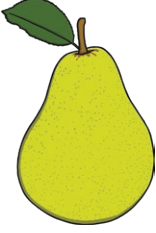

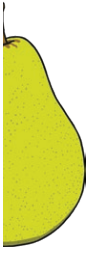

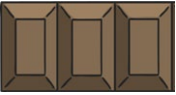

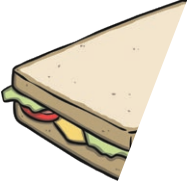

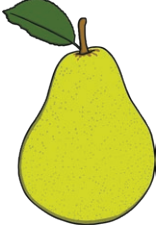

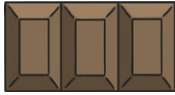

Cut and stick the food to share it equally between Leo and Lucy.

The worksheet is divided into two vertical panels. The left panel shows a boy (Leo) on the left and a girl (Lucy) on the right. Between them are various food items: a chocolate bar, a small square, two wedges of cheese, a whole pear, a half pear, seven small green olives, a triangular sandwich, and a square sandwich. The right panel shows the same food items but with different proportions: a chocolate bar, a small square, two wedges of cheese, a triangular sandwich, a square sandwich, a whole pear, a half pear, and seven small green olives. The goal is to cut the food items into equal shares for Leo and Lucy.

# Lunch

Lucy has shared her lunch with Leo.

This is what she has left. Can you draw what she had to begin with?

The worksheet is divided into two vertical panels. On the left panel, there is a drawing of a girl named Lucy in a blue dress. To her right are two oranges (one whole, one sliced), ten green grapes, one sandwich, and five brown sticks. On the right panel, there are two whole oranges, one whole orange, one sandwich, ten green grapes, and ten brown sticks. The drawing of Lucy is on the far left of the left panel.
