# One Half

One half can be written as: $\dfrac{1}{2}$ or $\dfrac{2}{4}$ or $\dfrac{3}{6}$ or $\dfrac{4}{8}$
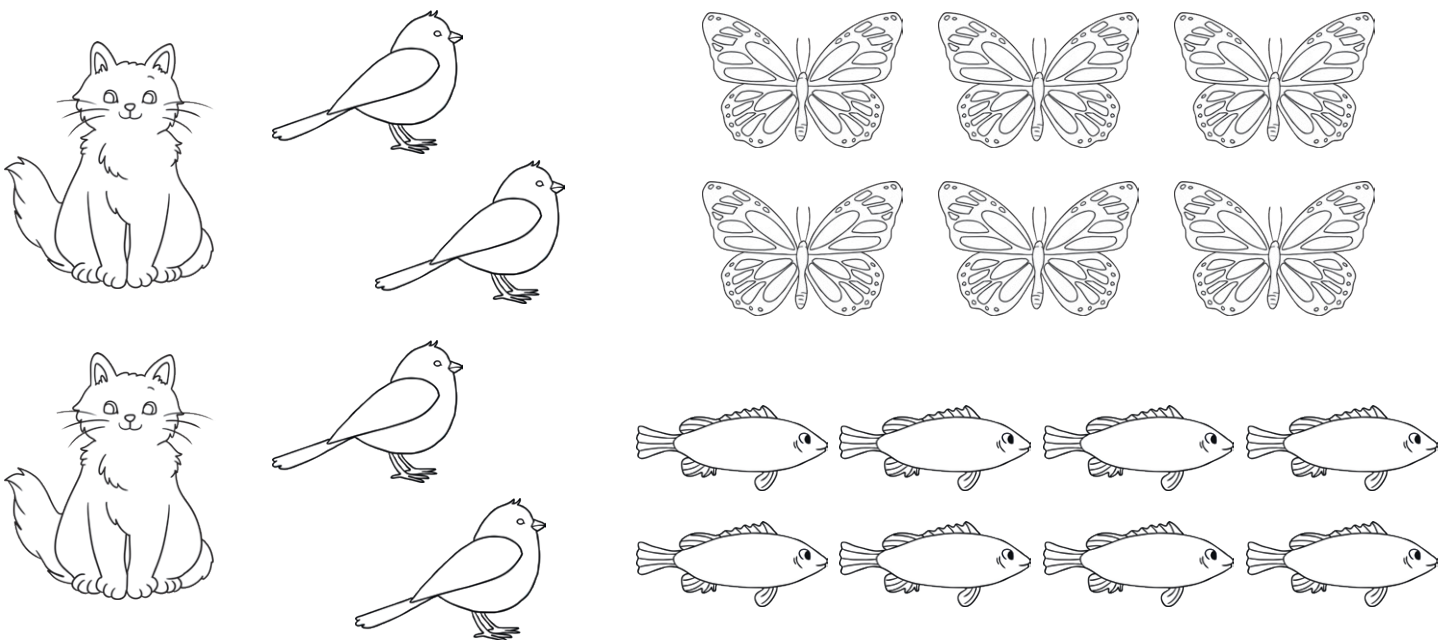

One half of each of these shapes is shaded:

1. Colour one half of each of these shapes.

2. Colour one half of each of these groups of animals.

3. Write down half of each number.

What number is half of 2? _____   What number is half of 8? _____

What number is half of 4? _____   What number is half of 10? _____

What number is half of 6? _____   What number is half of 20? _____
