

Number and Algebra | Half of a Shape

I can find $\frac{1}{2}$ of a shape.		
I can find $\frac{1}{2}$ of a shape.		
I can explain that $\frac{1}{2}$ is 1 of 2 same size pieces.		
I can find $\frac{1}{2}$ in different ways.		
I can explain why 2 halves make the whole shape.		

Number and Algebra | Half of a Shape

I can find $\frac{1}{2}$ of a shape.		
I can find $\frac{1}{2}$ of a shape.		
I can explain that $\frac{1}{2}$ is 1 of 2 same size pieces.
