Australia Stage 1 Maths Measurement Activity Booklet

Activity Sheet	Page Number	Notes
Measuring Up	2	
Let's Bake a Cake	3 - 4	
Turn Up the Heat	5	
Comparing Capacities	6	
Zoo Weighing	7	
Fill the Piggy Banks	8 - 9	
Fruit Shopping	10 - 12	
Time Out	13	
What's the Time, Mr Wolf?	14 - 15	
Answers	16 - 25	

Measuring Up

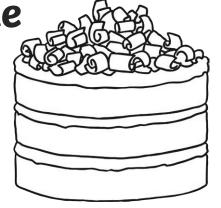

Find these objects around your home. Estimate how long they are in centimetres (cm). Now measure them using a centimetre ruler. How close were your estimates?

Object	My Estimate	Actual Measurement
Pencil		
Book		
Phone		
Shoe		
Photo frame		
Toothbrush		
Spoon		
Сир		
Hairbrush		

Let's Bake a Cake

Find a recipe for your favourite cake or biscuits. Ask a grown-up to read the list of ingredients with you. Write the ingredients here. Remember to say how much you need of each. For example: 150g flour, 100ml milk.

Ingredient:	How much I need:

Now make your delicious cake!

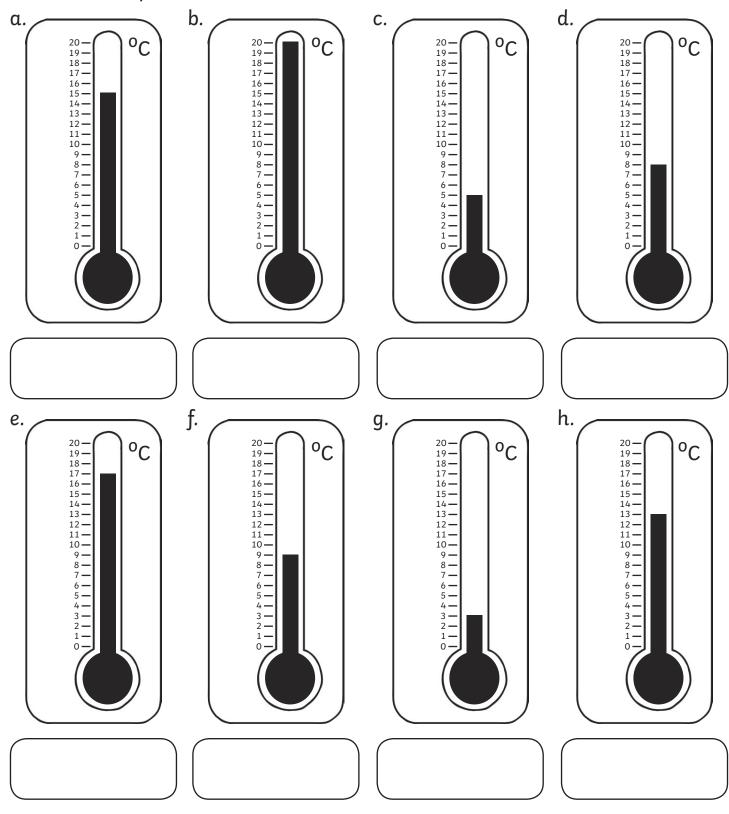

Let's l	Bake a	Cake
---------	--------	------

While your cake is baking, think abou a grown-up:	t these questions with
What did you use to measure the dry flour and sugar?	
What unit of measurement do we use?	
What else could we weigh using this r	neasurement?
What was the heaviest ingredient you	used?
What was the lightest ingredient?	
Now try to work out how much of e wanted to make two cakes or two lots	
Ingredient:	How much I need:
I .	1

Turn up the Heat

Write the temperature shown on each thermometer.

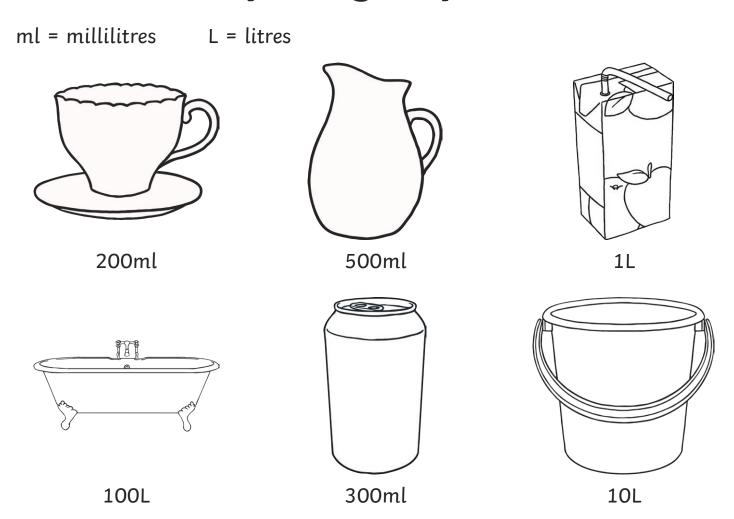

Which thermometer shows the hottest temperature? _____

Which shows the coldest temperature? _____

Comparing Capacities

Write the names of the objects in order from largest to smallest capacity.

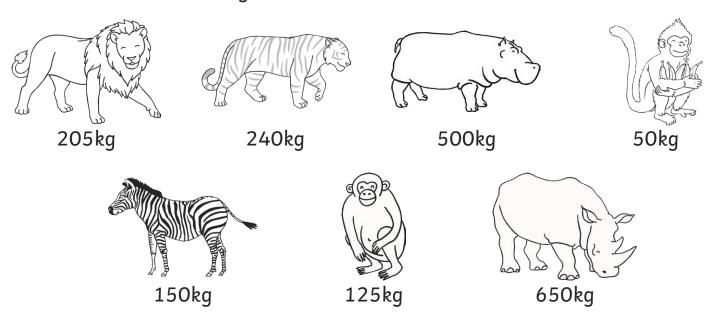

largest	
↓	
smallest	

Challenge: Where on the line would you put a swimming pool? Where would you put an eggcup? Where would you put a cereal bowl?

Zoo Weighing

The vet has come to weigh the animals at the zoo.

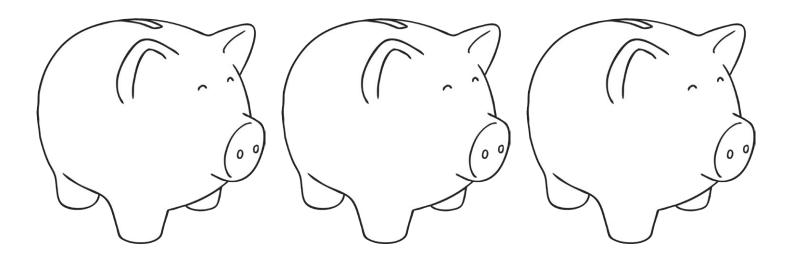

Fill in the correct sign (<, > or =) to make these number sentences correct:

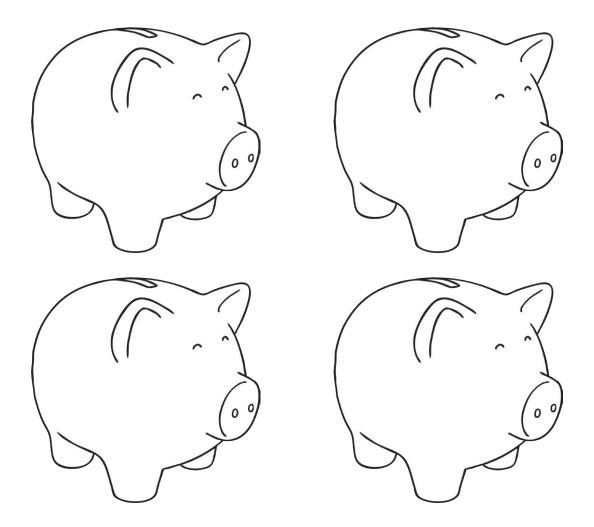

Fill the Piggy Banks

Can you find 3 different ways to make 20c? Draw the coins in the piggy banks:

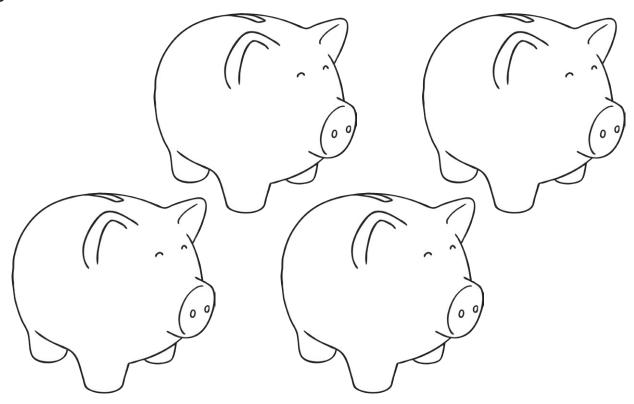

Can you find 4 different ways to make 30c? Draw the coins in the piggy banks:

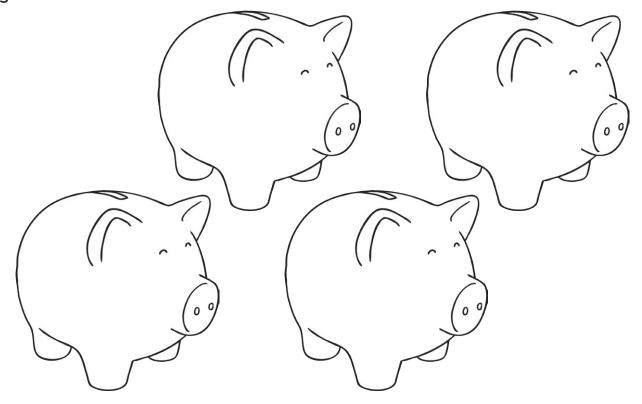

Fill the Piggy Banks

Can you find 4 different ways to make 50c? Draw the coins in the piggy banks:

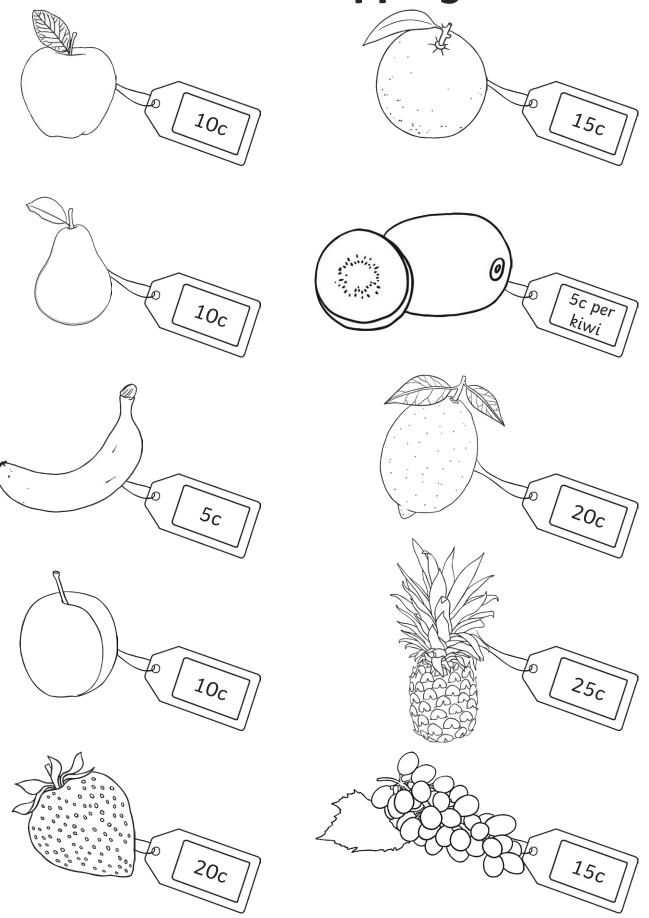

Can you find 4 different ways to make 80c? Draw the coins in the piggy banks:

Fruit Shopping

Fruit Shopping

Look at the pictures of fruit on the previous page. Can you work out how much it would cost to buy these different fruits?

an apple and a banana	
a kiwi and a strawberry	
two lemons	
a strawberry and a bunch of grapes	
a pineapple and a plum	
an apple, a banana and a pear	
two lemons and a banana	

Challenge: Draw the smallest number of coins you could use to pay for each set of fruit.

Fruit Shopping

Look at the pictures of fruit again. If you had a 50c coin, how much change would you get for each fruit?

apple	
pear	
banana	
pineapple	
plum	
lemon	
strawberry	

Challenge: Draw the smallest number of coins the shopkeeper would need to make your change.

Time Out

Put these times in the correct order:

- half past 5 in the morning
- quarter past 3 in the morning
- 7 o'clock in the evening

•	ten	to	8	in	the	ever	ιir	lC
								_

- 3 o'clock in the afternoon
- half past 11 in the morning

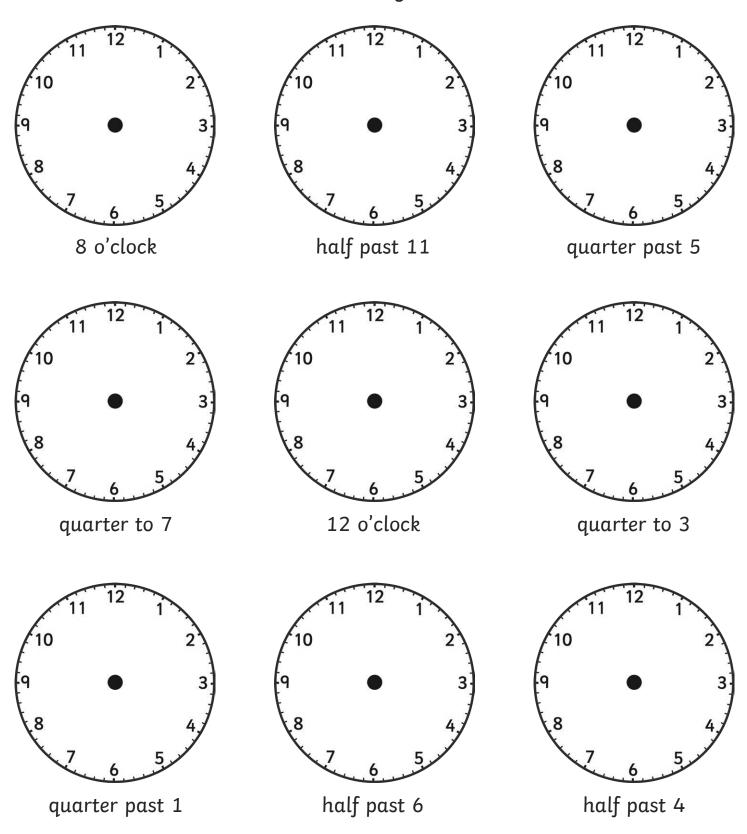

Write in the correct times:

6 o'clock	time in 1 hour	
half past 3	time in 1 hour	
quarter past 5	time 1 hour ago	
half past 8	time 1 hour ago	
9 o'clock	time in half an hour	
half past 7	time half an hour ago	
quarter past 2	time in half an hour	
quarter to 4	time half an hour ago	

What's the Time, Mr Wolf?

Mr Wolf has huffed and puffed so much that he has blown all the hands off his clocks! Can you draw the hands on the clocks to show the right times? Remember to make the minute hand longer than the hour hand.

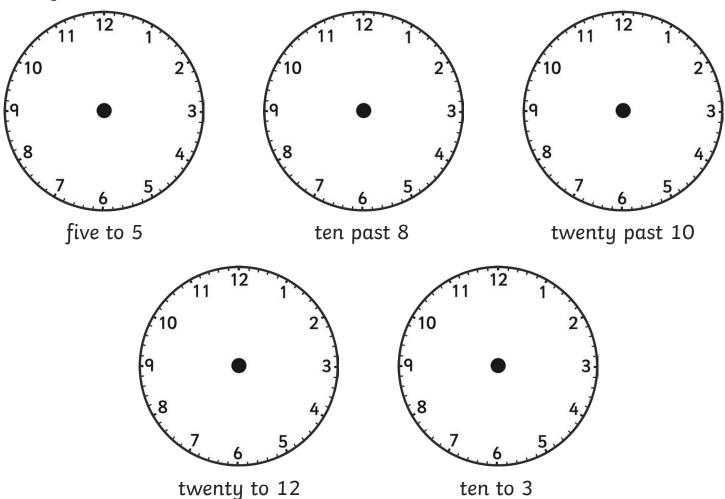

What's the Time, Mr Wolf?

Challenge:

Can you draw the hands on the clocks to show these times?

Extra Challenge:

How many minutes are in one hour?

How many hours in one day?

How many hours are in 2 days?

Turn up the Heat **Answers**

Write the temperature shown on each thermometer.

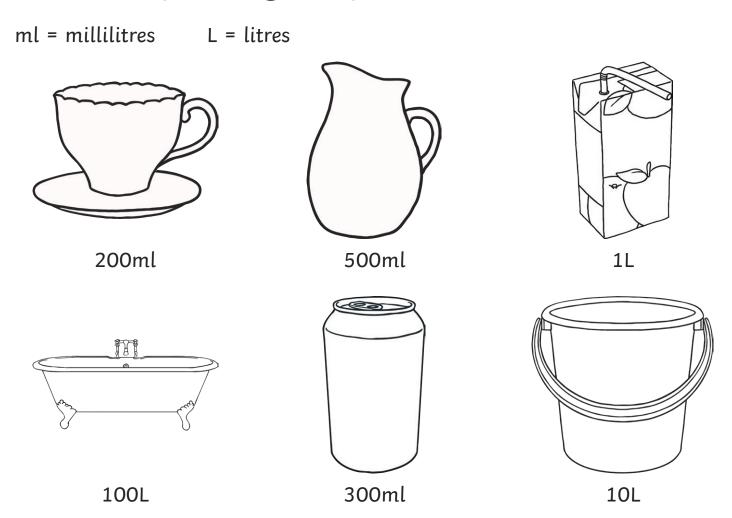

Which thermometer shows the hottest temperature? **b**

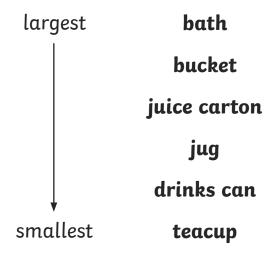

Which shows the coldest temperature? g

Comparing Capacities Answers

Write the names of the objects in order from largest to smallest capacity.

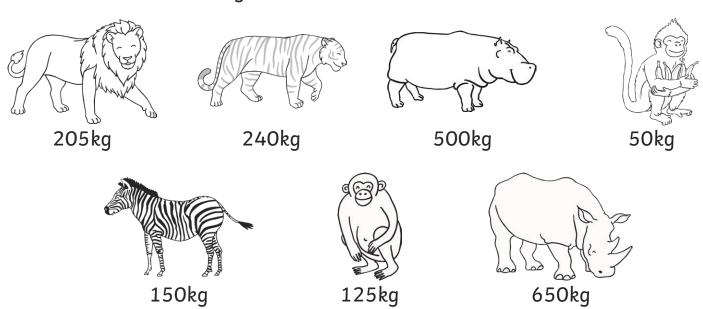

Challenge: Where on the line would you put a swimming pool? Where would you put an eggcup? Where would you put a cereal bowl?

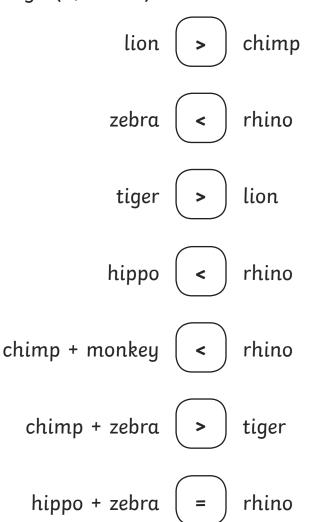

Zoo Weighing Answers

The vet has come to weigh the animals at the zoo.

Fill in the correct sign (<, > or =) to make these number sentences correct:

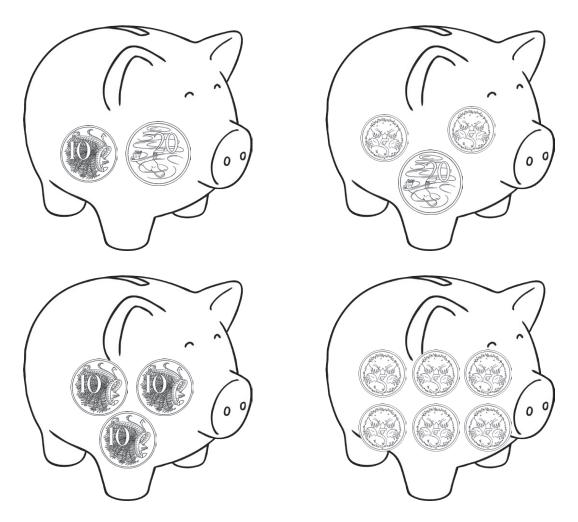

Fill the Piggy Banks **Answers**

Can you find 3 different ways to make 20c? Draw the coins in the piggy banks: **Example answers.**

Can you find 4 different ways to make 30c? Draw the coins in the piggy banks: **Example answers.**

Fill the Piggy Banks **Answers**

Can you find 4 different ways to make 50c? Draw the coins in the piggy banks: **Example answers.**

Can you find 4 different ways to make 80c? Draw the coins in the piggy banks: **Example answers.**

Fruit Shopping Answers

Look at the pictures of fruit on the previous page. Can you work out how much it would cost to buy these different fruits?

an apple and a banana	10c + 5c = 15c	The state of the s
a kiwi and a strawberry	5c + 20c = 25c	The state of the s
two lemons	20c + 20c = 40c	
a strawberry and a bunch of grapes	20c + 15c = 35c	
a pineapple and a plum	25c + 10c = 35c	
an apple, a banana and a pear	10c + 5c + 10c = 2	25c
two lemons and a banana	20c + 20c + 5c = 4	e5c

Challenge: Draw the smallest number of coins you could use to pay for each set of fruit.

Fruit Shopping Answers

Look at the pictures of fruit again. If you had a 50c coin, how much change would you get for each fruit?

apple	40c	
pear	40 c	
banana	45c	
pineapple	25 c	The state of the s
plum	40 c	
lemon	30c	
strawberry	30c	

Challenge: Draw the smallest number of coins the shopkeeper would need to make your change.

Time Out Answers

Put these times in the correct order:

- half past 5 in the morning
- quarter past 3 in the morning
- 7 o'clock in the evening

- ten to 8 in the evening
- 3 o'clock in the afternoon
- half past 11 in the morning

quarter past 3 in the morning half past five in the morning half past 11 in the morning 3 o'clock in the afternoon 7 o'clock in the evening ten to 8 in the evening

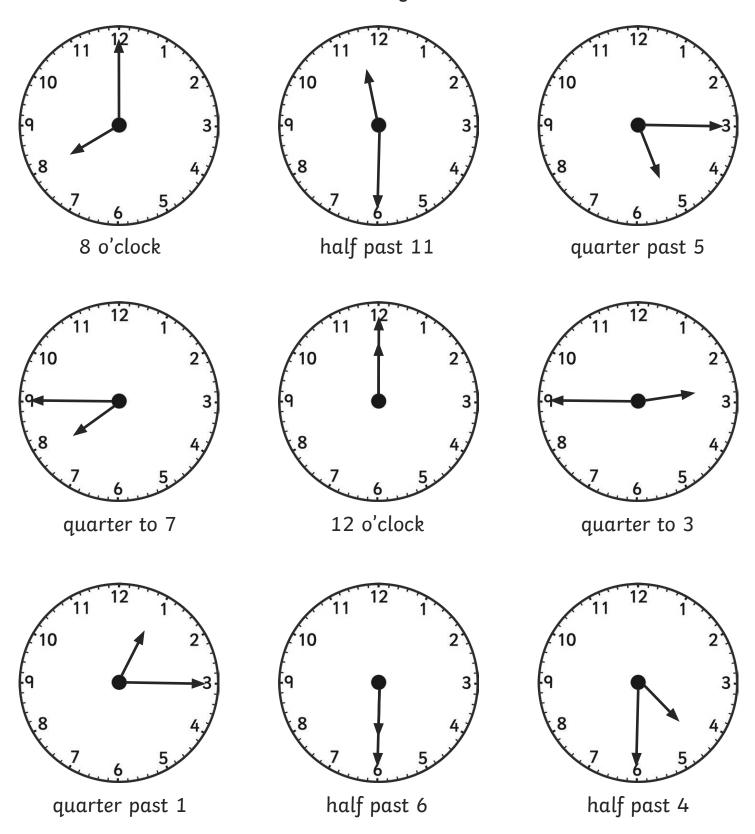

Write in the correct times:

6 o'clock	time in 1 hour	7 o'clock
half past 3	time in 1 hour	half past 4
quarter past 5	time 1 hour ago	quarter past 4
half past 8	time 1 hour ago	half past 7
9 o'clock	time in half an hour	half past 9
half past 7	time half an hour ago	7 o'clock
quarter past 2	time in half an hour	quarter to 3
quarter to 4	time half an hour ago	quarter past 3

What's the Time, Mr Wolf? Answers

Mr Wolf has huffed and puffed so much that he has blown all the hands off his clocks! Can you draw the hands on the clocks to show the right times? Remember to make the minute hand longer than the hour hand.

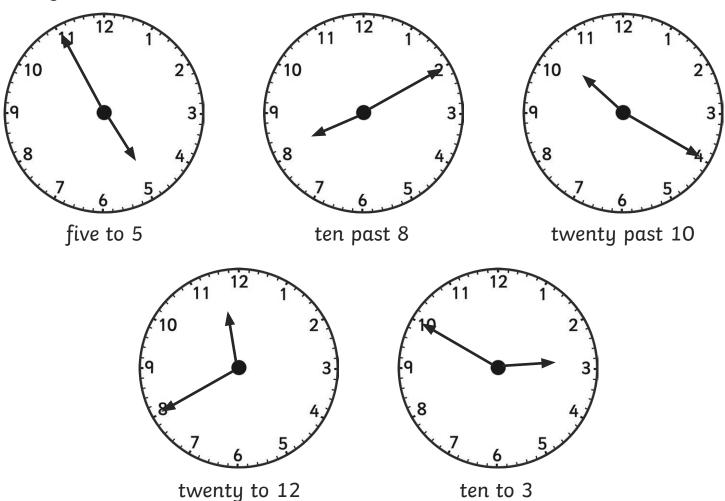

What's the Time, Mr Wolf? Answers

Challenge:

Can you draw the hands on the clocks to show these times?

Extra Challenge:

How many minutes are in one hour?

60 minutes

How many hours in one day?

24 hours

Can you work out how many minutes are in half an hour?

30 minutes (half of 60)

How many hours are in 2 days?

48 hours (double 24)
