**guppy - fish**

**koi - fish**

**shark - fish**

**tuna - fish**

clownfish - fish

badger - mammal

**cat - mammal**

**chimpanzee - mammal**

deer - mammal

giraffe - mammal

horse - mammal

mouse - mammal

human - mammal

bearded dragon - reptile

crocodile - reptile

snake - reptile

tortoise - reptile

## Reasoning Cards

Compare these animals.

How are they different?

How are they the same?

Which animal group do they belong to?

## Reasoning Cards

Compare these animals.

How are they different?

How are they the same?

Which animal group do they belong to?

## Reasoning Card ②

What animal group do they belong to?

**Both animals are birds.**

How are they the same?

**Similarities could include both having wings, feathers, beaks and two legs.**

How are they different?

**Differences could include details about differences in size, shape and colouring. Answers could also reference ostriches being flightless.**
