

# Seasons Wheel

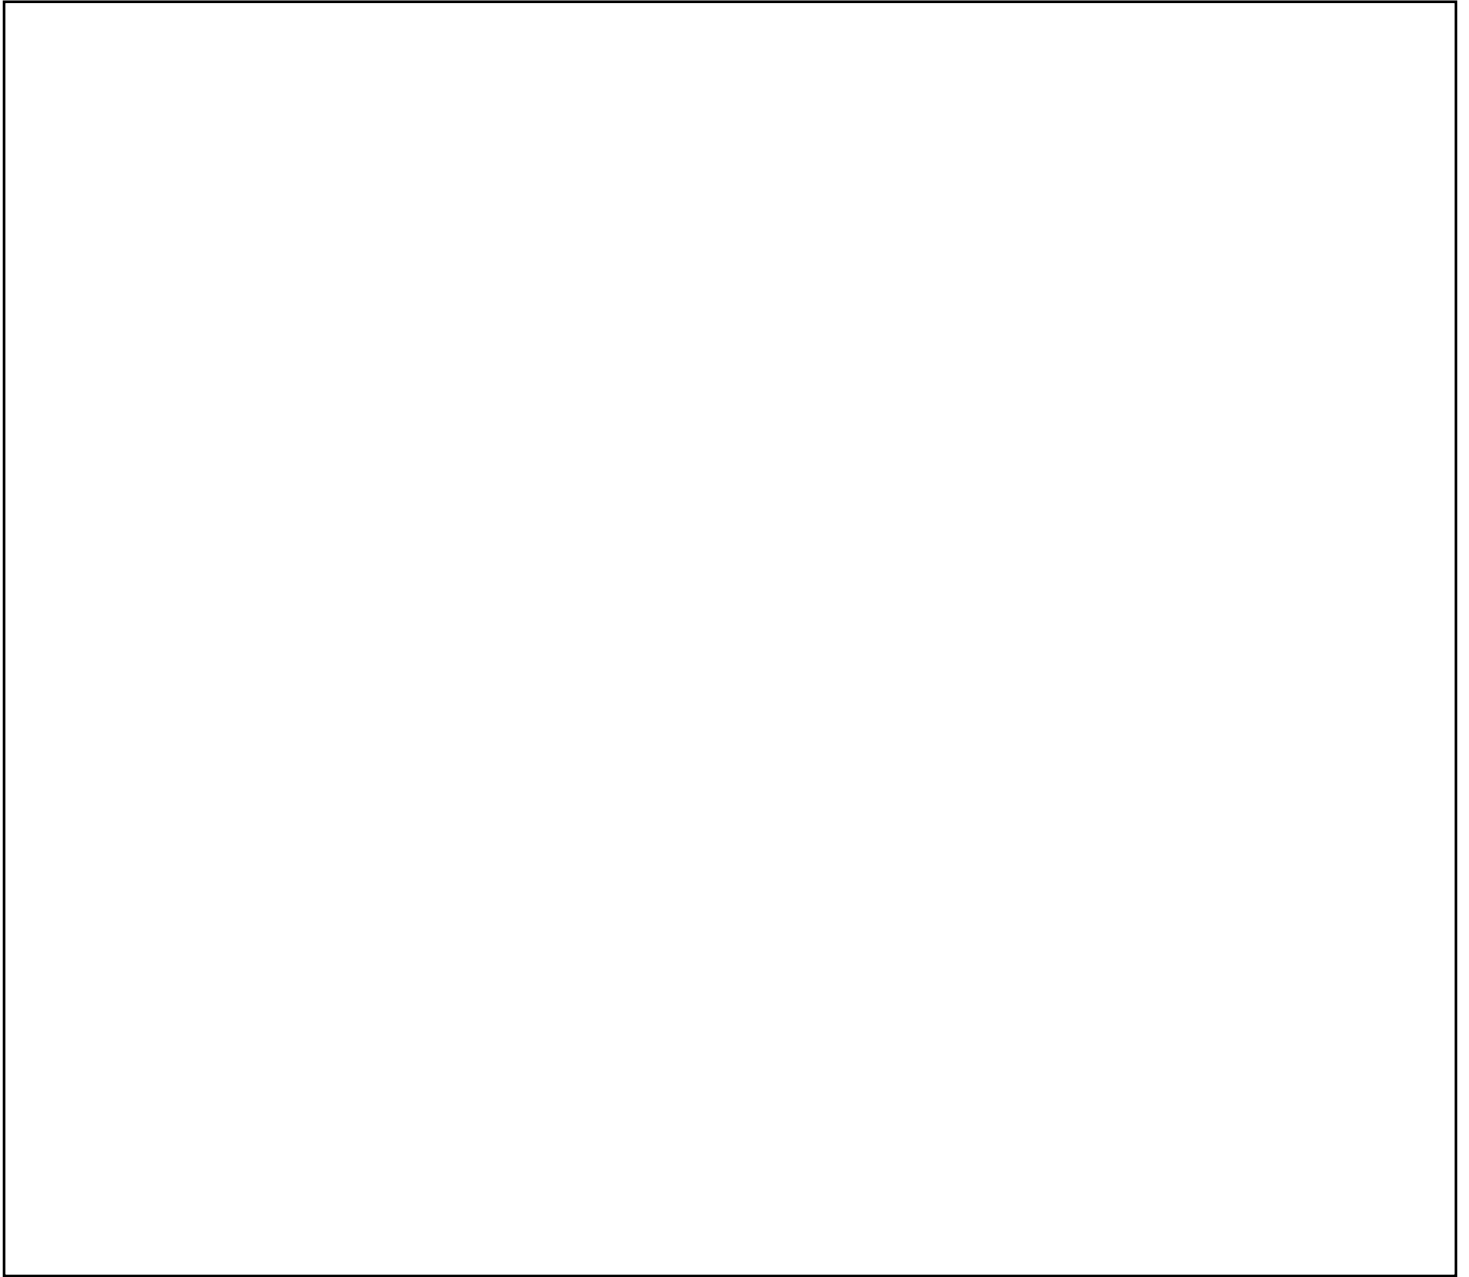

Make your own Season Wheel by following these instructions:

1. For each season, draw a picture of the weather.
2. If you can, think of an event that happens in each season. It could be a celebration, a holiday or an important occasion, like a birthday. Add it to your wheel.
3. Add small arrows to your wheel to show which way the seasons go.
4. Carefully cut out your wheel.

# Senses Poem

Draw an autumn **or** winter picture

Now write a senses poem to match the season in your picture.
