

Spring in Australia

There are four seasons in a year. The four seasons are spring, summer, autumn and winter.

Spring happens during the months of September, October and November.

Weather in Spring

In spring, the days become warmer and longer. During spring, the weather can be warm, cool, windy and rainy.

Animals in Spring

In spring, many animals have their babies. Birds start to build their nests and then lay their eggs.

Plants in Spring

Flowers may start to bloom with the warmer weather. Fruits, such as apples, pears, avocados, lemons, mandarins and strawberries, start to grow.
