

# Summer Fun

**It is summer. The school  
year is over.**

**Janie and Cody are very  
excited for summer.**

**Janie's favorite summer activity is to swing in the tree.**

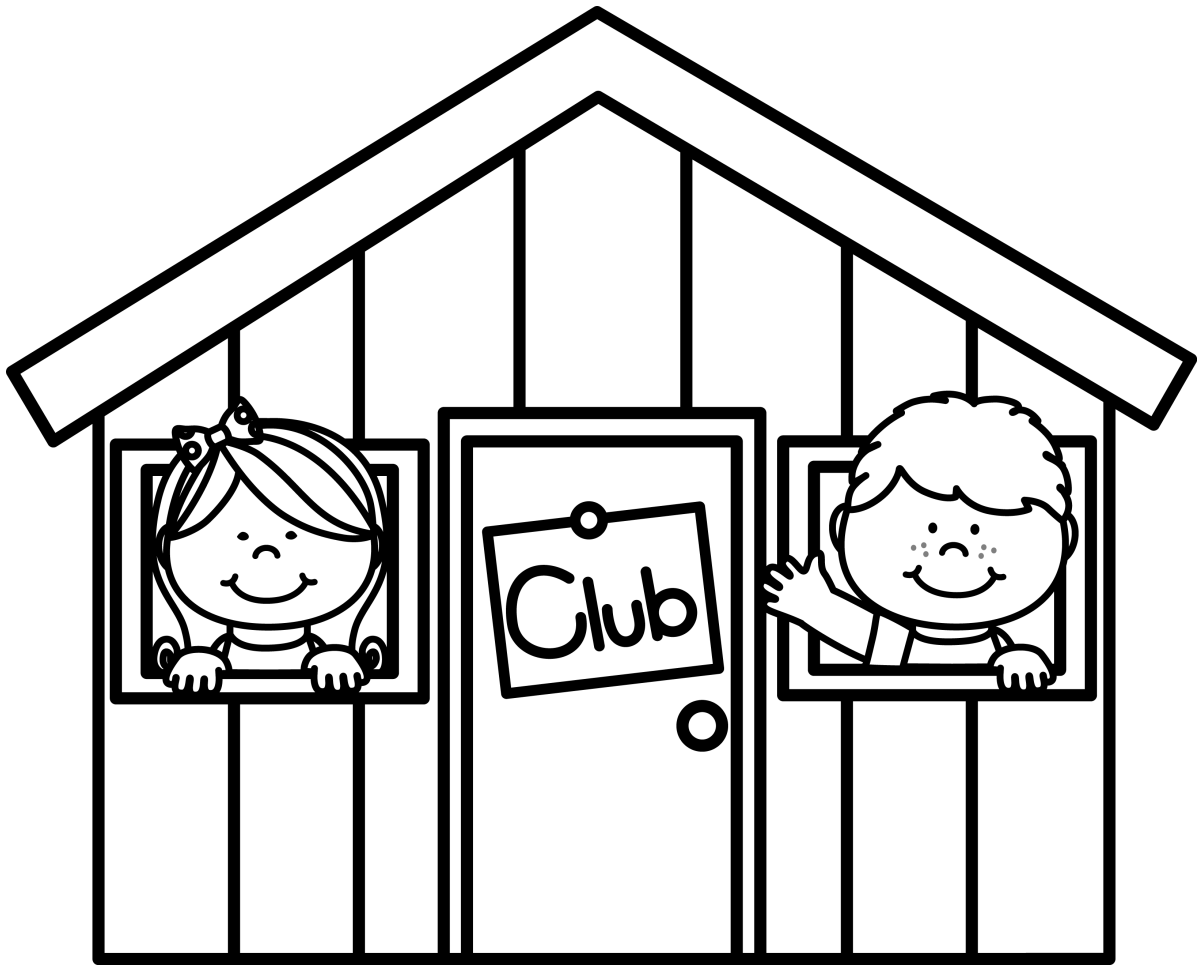

**Cody enjoys playing  
outside with his dog,  
Grover.**

**At night, Cody likes to catch  
fireflies in a jar.**

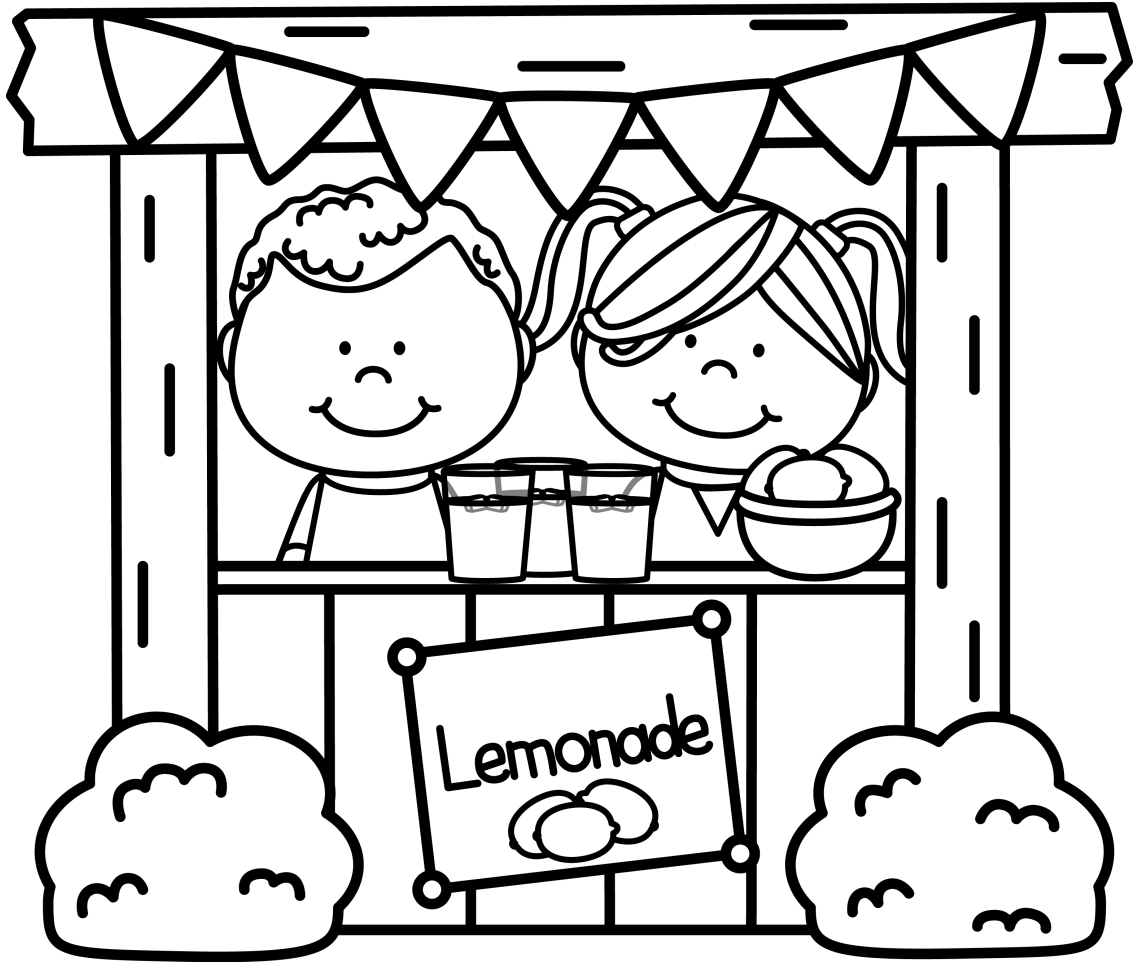

**Together, Janie and Cody  
like to play in the  
sprinklers.**

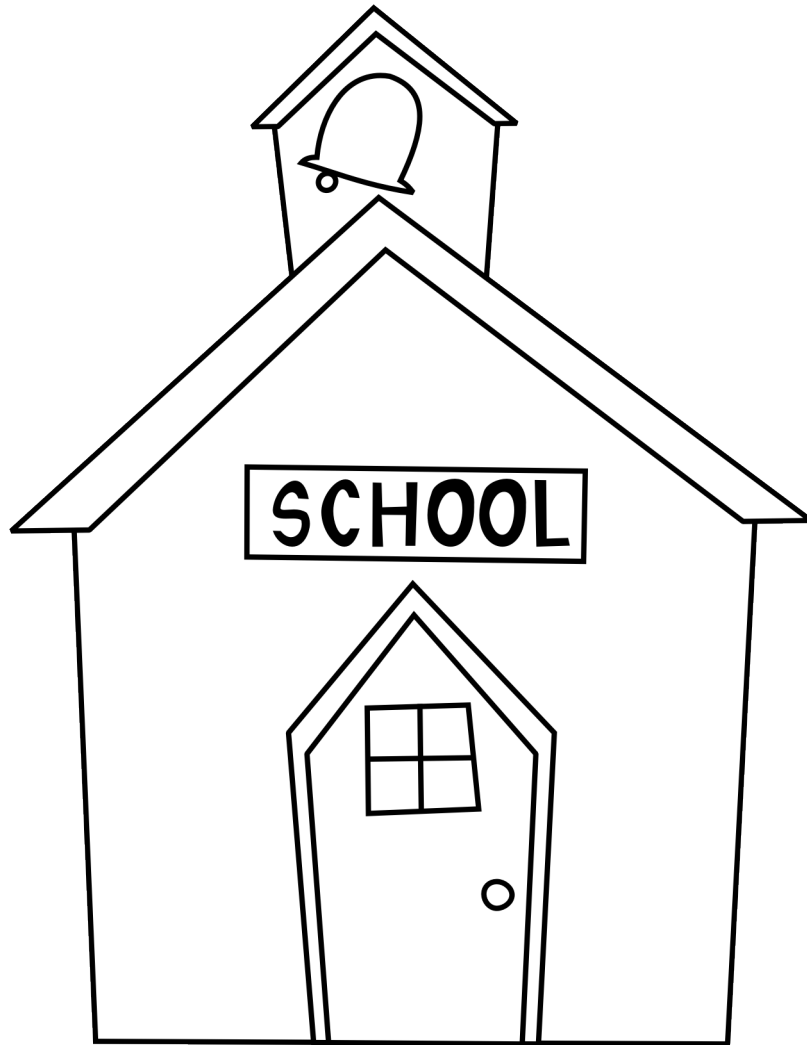

**If it is raining outside, they  
play in their clubhouse to  
stay dry.**

**If it is a very hot day, they  
sell lemonade to their  
neighbors.**

**When summer is over,  
they will go back to school.**
