1. Read the story.

Highlight all of the words that contain the /w/ phoneme.

Kit and Sam want to go out on a boat to look for whales. They set off on Will's wooden ship with white sails. The wind is wild and Sam whimpers as it whips her hair into her eye. Will lets Kit have a turn with the wheel whenever he wants. They spot lots of wildlife in the water but no whales.

“Where are the whales this weekend?” Kit asks Will.

“Well, they might be that way,” replies Will, pointing. Kit whirls the wheel and the ship turns west.

“Wow!” exclaims Sam. “I just saw a whale!”

“Where?” they ask, just as a whopper of a whale peeps up out of a wave. It lifts its tail and whacks it onto the water. Whoosh! Kit and Sam are sopping wet.

“Well, you did wish to see a whale”, says Will with a wink.

2. Sort the words.
