1. Read the story.

Highlight all the words that contain the /or/ phoneme.

The astronaut wanted to explore space.

“Ready for launch in 5, 4, 3, 2, 1,” he said.

The space rocket flew through the air. It landed on a new planet. The astronaut got out and saw a beach. He went to the shore. He saw lots of aliens! One alien had a sore paw.

“I need to get some more plasters. Wait there,” said the astronaut as he ran back to the rocket. When the astronaut had fixed the alien’s paw, they went to explore the alien’s home.

“I adore your house!” said the astronaut. “It has been so nice meeting you, but I must get back before it gets dark.”

The astronaut jumped back into the rocket and set off for home. The astronaut felt tired. Before long, he began to yawn. He fell asleep and started to snore!
