

Alien Topic

Join Kit and Sam at school for some fun alien-themed activities.

Alien Topic

A 'Let's Read Together!' Book

Kit wished he had worn an apron. He was a mess! Thankfully, Mrs Tan was not cross. She tried to help and clean his top but the paint had stained it.

At playtime, Kit and Jake played aliens. Then, Kit and Sam listened to an alien story and did some work about it. Kit wished he was an alien because he would eat all of the treats he could!

In Phonics, Mrs Tan asked the class to read something. It looked very odd because the letters were all confused! Kit had a go and he could read them.

After dinner, Kit and Sam did some alien Maths. They did some alien music, too. Then it was home time. Kit and Sam had the best day ever!

The school cook made the children an extra-tasty dinner. It was alien food! There were things like Space Rocks and Rockets. There was even an alien pudding!

Kit and Sam enjoyed the space rock art. It was fun! They had to spray a stone with paint using a paintbrush. They had just started painting when Kit got paint everywhere!
