# Hare Jump

## A 'Let's Read Together!' Book

Kit and Sam headed to where there were cube-shaped blocks of foam and Dad and Mum joined them. Dad threw one of the soft blocks at Kit! Everyone laughed.

"Ouch!" screamed Dad. He had hurt his foot. While the rest of the family played, Dad had to take care and rest his foot.

Kit was excited because it was not a school day and the family were going to Hare Jump. Kit jumped on the sofa with Ben. Mum was cross with them both!

On the way out, Mum and Dad nearly went home wearing their Hare Jump socks!

Sam jumped from a very high jump. She loved it! Kit was frightened but he did it, too. After that, Kit and Sam snacked on some grapes and a pear.

Mum, Dad, Kit and Sam went in the car to Hare Jump. When they got there, they had to wear some Hare Jump socks and a band on their arm. Kit and Sam were very excited.
