

# Sorting -ed Sounds

I can sort -ed words into their different sounds.

1. Write the -ed words under the end sound they make.

<b>mixed</b>	<b>yelled</b>	<b>started</b>	<b>hunted</b>	<b>burned</b>	<b>licked</b>
--------------	---------------	----------------	---------------	---------------	---------------

Now work together to think of some more -ed words of your own.

2. Which sound do they make?

<b>-ed (t)</b>	<b>-ed (d)</b>	<b>-ed (id)</b>

1. Write the -ed words under the end sound they make.

-ed (t)	-ed (d)	-ed (id)
mixed licked	yelled burned	started hunted

2. Which sound do they make? Multiple answers are available.
