# Clockwise and Anticlockwise

Move your arm in a clockwise direction.

Move your foot in an anticlockwise direction.

What other body parts can you move in these directions?

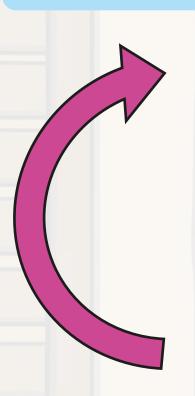

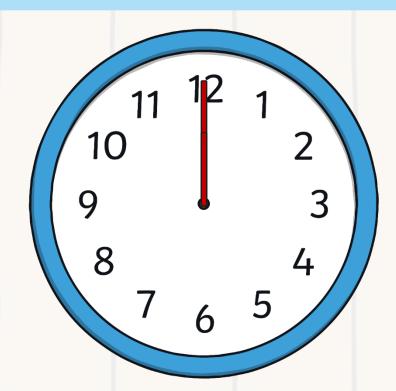

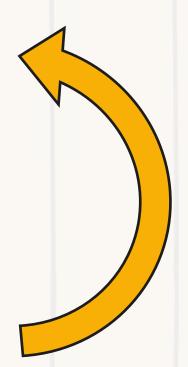

#### Clockwise and Anticlockwise Partners

In pairs, decide who will show a clockwise movement and who will show an anticlockwise movement. Choose a body part to move.

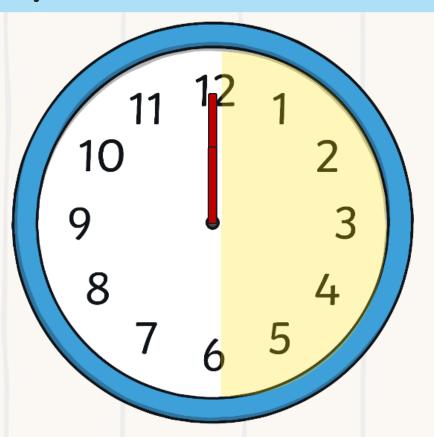

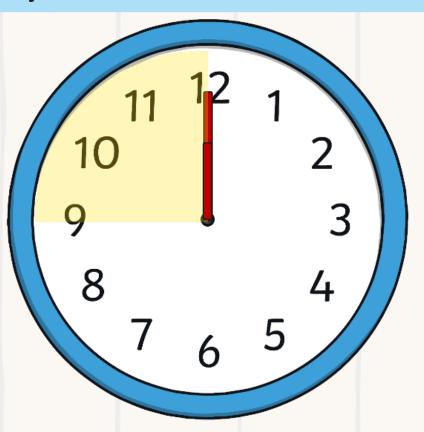

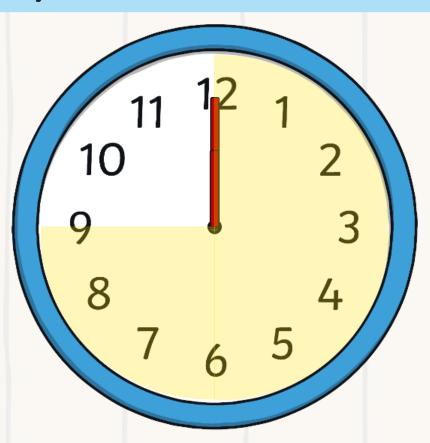

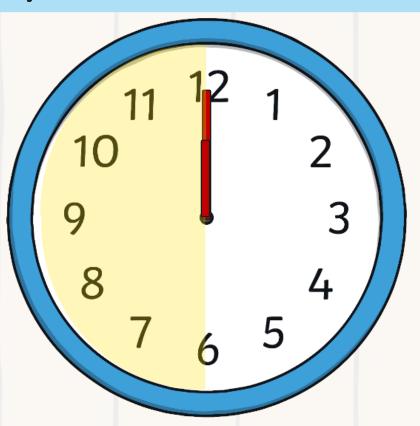

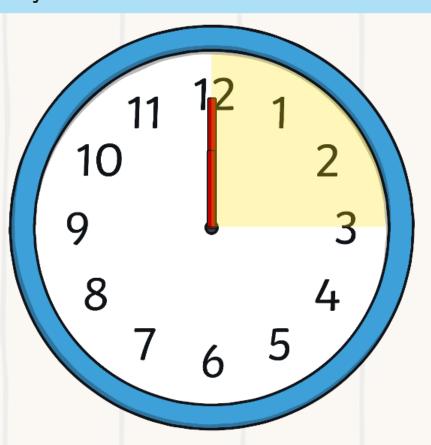

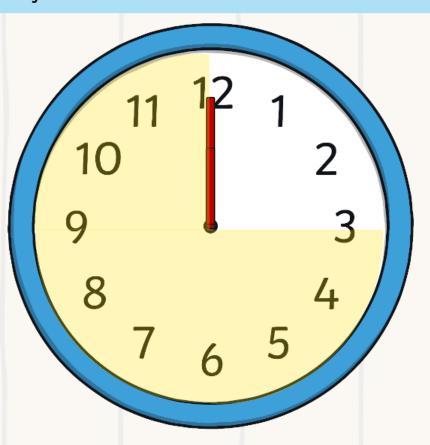

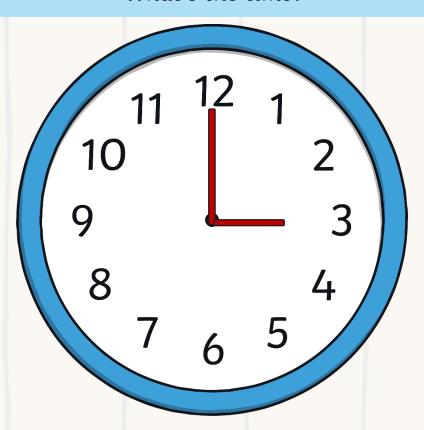

#### Turns

What's the time?

#### Aim

• I can move clockwise and anticlockwise turns.

#### Success Criteria

- I can follow a route moving in clockwise and anticlockwise turns.
- I can identify a clockwise turn.
- I can identify an anticlockwise turn.
