6

Name _____

7

3B-2

Name _____

Omnivore

Carnivore

Herbivore

Directions: Identify and name each animal on this worksheet. Think about what each animal eats and decide whether the animal is an herbivore, a carnivore, or an omnivore. Cut out the images of the animals and categorize them by the food they eat on the separate worksheet.

3B-2

Name _____ **Answer Key**

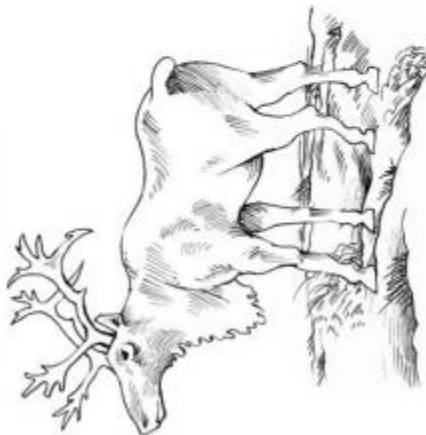

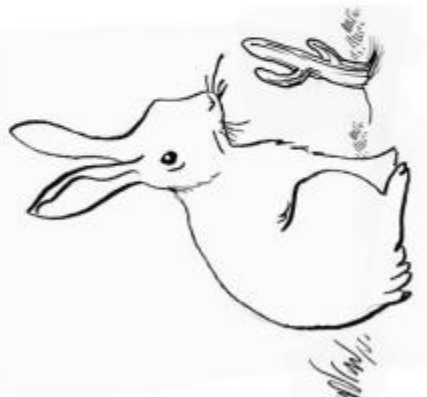

Omnivore

Carnivore

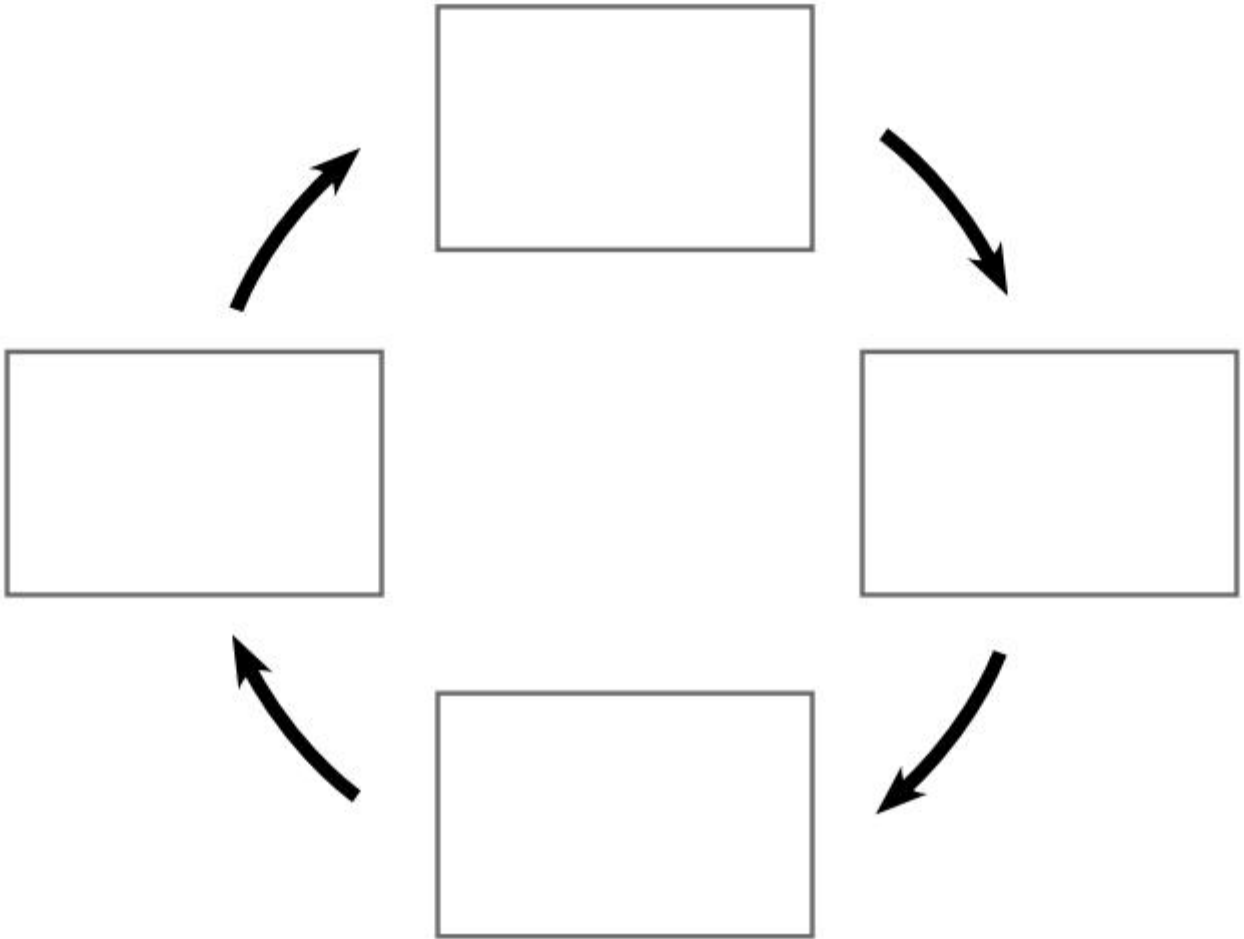

Herbivore

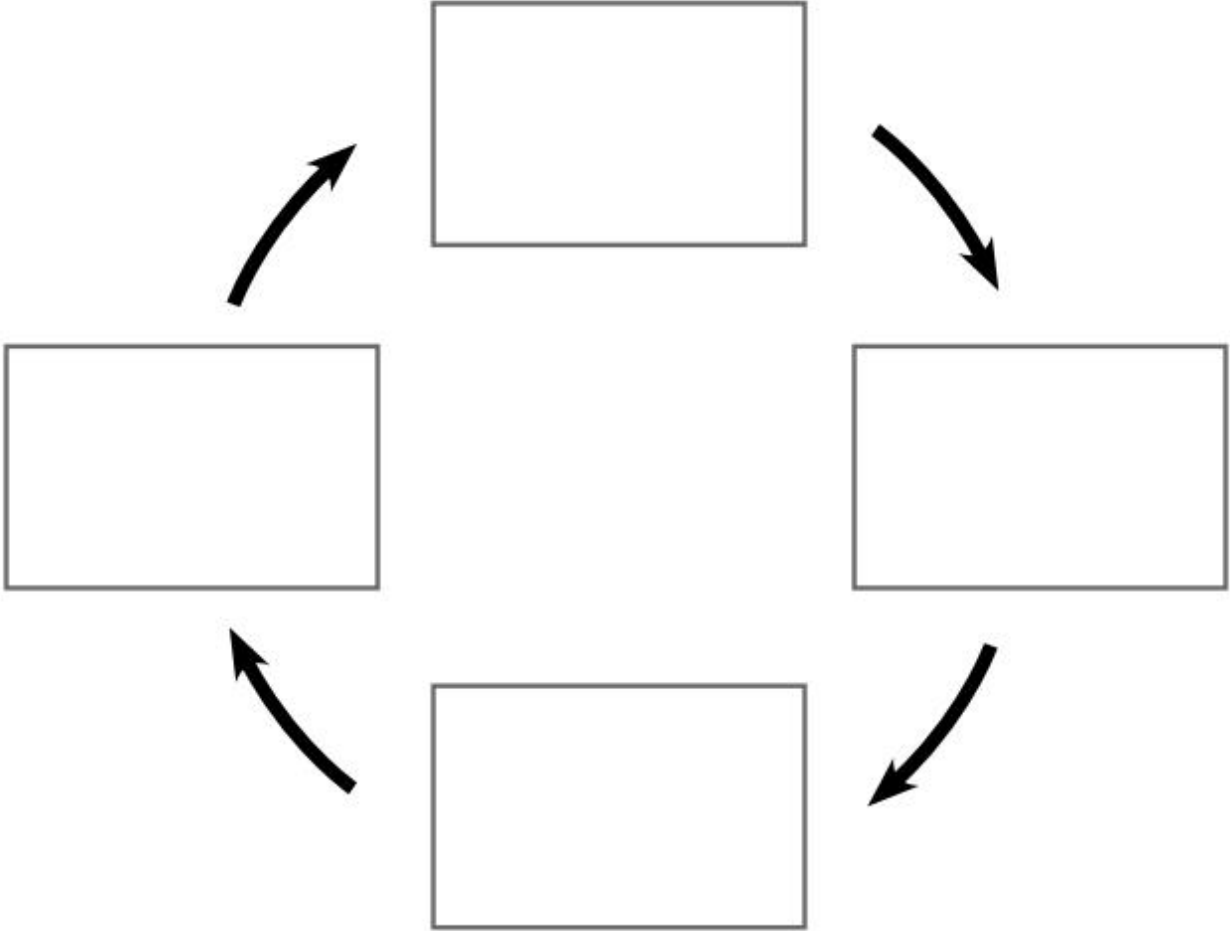

4B-2

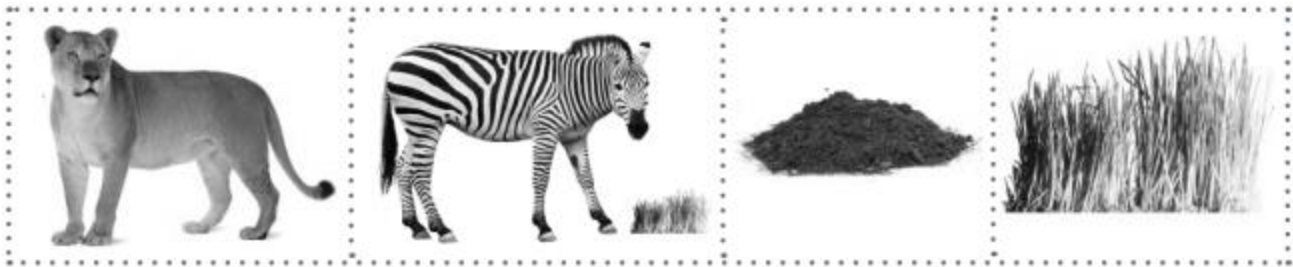

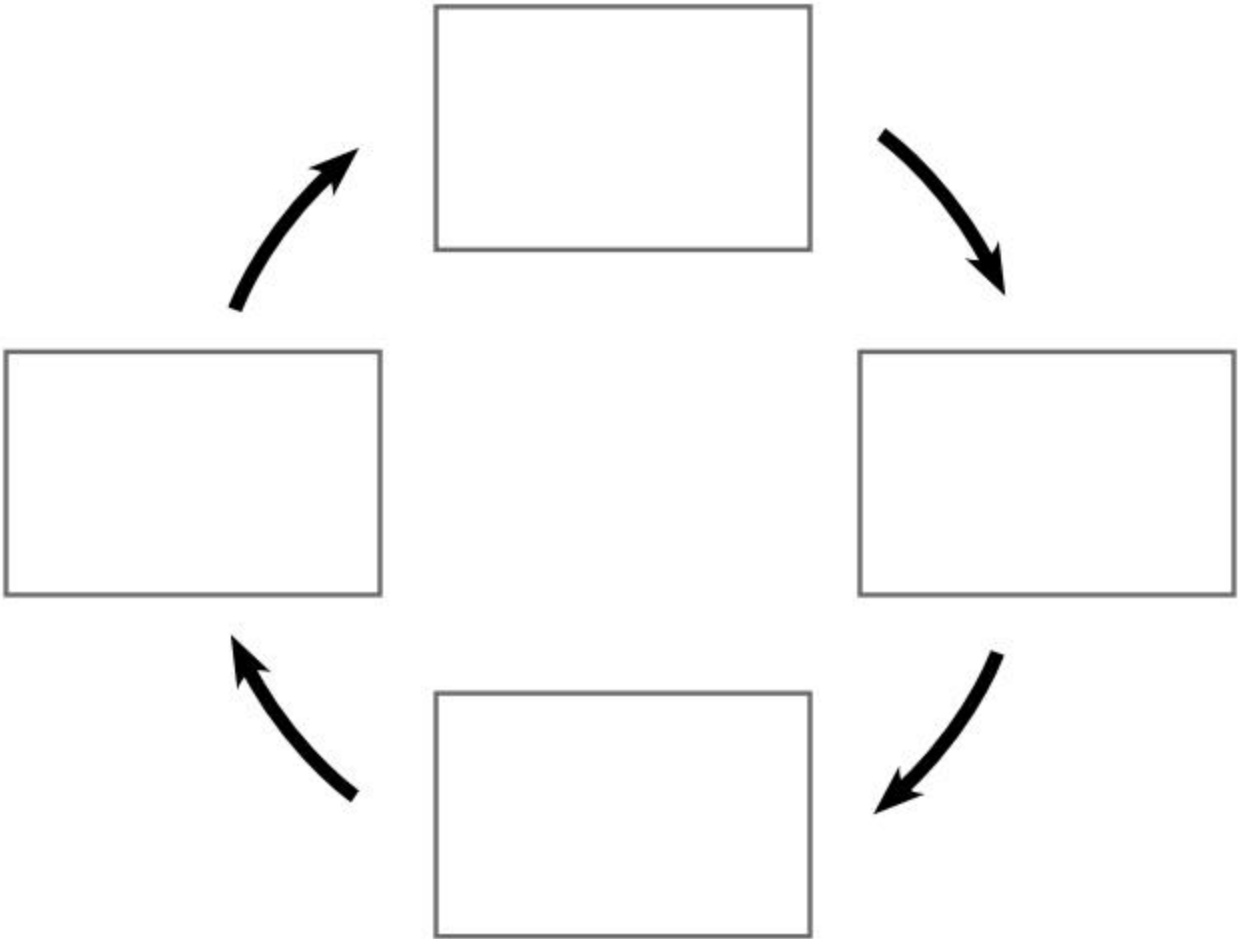

Name _____

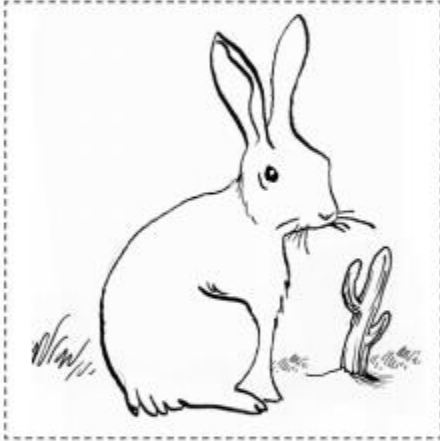

4B-3

Name _____

Directions: On one sheet of paper draw the Arctic habitat. On the second piece of paper draw the desert habitat. On the third sheet of paper draw the savanna habitat. Cut out the animals, and place them on the correct habitat.
