**1. Read and match.**

**Clue 1**

I am outside and have grass and blue skies. You might see daisies growing in my grass or poppies in my flower beds. If you look closely, you might see ladybirds and insects crawling over the plants. In autumn, there might be berries growing on my trees.

**What am I?**

**Clue 2**

I look after pets, such as puppies, cats and bunnies and check they are healthy. I treat them if they are ill. Sometimes, I go to farms and check on big animals like ponies and cows.

**Who am I?**

**Clue 3**

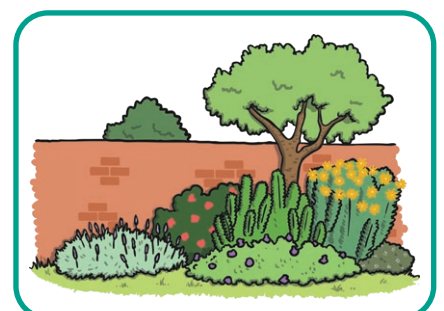

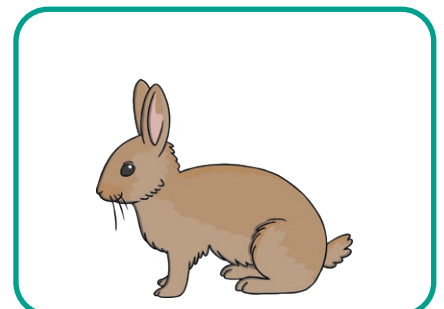

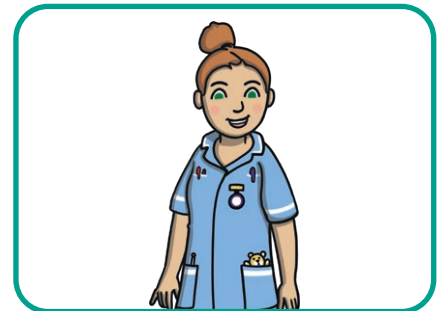

I like to make bunches of roses, daisies and poppies to sell in my shop. In autumn, I put berries in my bunches of flowers. A bride carries the things I make.

**Who am I?**

**Clue 4**

I look after babies and ladies who have had babies. I have lots of medical supplies and nappies. I hug the babies and tell them stories to help them fall asleep.

Dan is a lorry driver. His job is to make deliveries of supplies to lots of different shops so that we have all of the things we need. On his lorry, Dan carries different kinds of berries, like strawberries and blackberries. Some days, he carries nappies and baby supplies and other days, he carries flowers like daisies and poppies. He has lots to do and hurries here and there.

Dan has lots of stories to tell about his deliveries. Once, the motorway was shut because lots of ponies had escaped and got onto the road! It took a long time to catch them all and put them back. Another time, a truck that delivers supplies to all of the bakeries crashed and spilt flour everywhere. It looked like it had snowed in summer! Dan thought it was very funny.
