

Pinocchio

Blanks Levels Ideas Sheet

These resources can be used in a variety of ways to support children with speech, language and communication needs.

Ideas:

- Read the PowerPoint through with the child or group of children. Then read through again and ask the questions using the cards or sheets at the appropriate point in the story.
- Read through the PowerPoint story and then ask the children the questions.
- Read the PowerPoint through with the child or group of children. Then sequence the story using the sequencing cards. With the cards in order on the table, ask the questions from the questioning sheet.
- The question cards can be used to support to children to ask questions to each other.
- The question cards and question sheet can be mixed up to enable a group of children at different levels to work together.
- The question sheet can be used to record the answers from the activity.
- The question sheet and cards can be used with specific children working towards achieving consistency at that level..

Pinocchio
