

Even and Odd Problem Solving

Task Cards

Even and Odd Problem Solving

1. Is 7 an odd or an even number?

Even and Odd Problem Solving

2. Is 12 an odd or an even number?

Even and Odd Problem Solving

3. Is 4 an odd or an even number?

Even and Odd Problem Solving

4. Is 8 an odd or an even number?

Even and Odd Problem Solving

5. Is 19 an odd or an even number?

Even and Odd Problem Solving

6. Is 17 an odd or an even number?

Even and Odd Problem Solving

7. Is 6 an odd or an even number?

Even and Odd Problem Solving

8. Is 11 an odd or an even number?

Even and Odd Problem Solving

9. Is 14 an odd or an even number?

Even and Odd Problem Solving

10. Is 13 an odd or an even number?

Even and Odd Problem Solving

11. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$7 + 6 =$$

even or odd

even or odd

Sum: _____ even or odd

12. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$8 + 2 =$$

even or odd

even or odd

Sum: _____ even or odd

13. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$4 + 6 =$$

even or odd

even or odd

Sum: _____ even or odd

14. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$3 + 9 =$$

even or odd

even or odd

Sum: _____ even or odd

15. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$9 + 7 =$$

even or odd

even or odd

Sum: _____ even or odd

16. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$5 + 4 =$$

 even or odd

 even or odd

Sum: _____ even or odd

17. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$4 + 7 =$$

 even or odd

 even or odd

Sum: _____ even or odd

18. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$9 + 9 =$$

 even or odd

 even or odd

Sum: _____ even or odd

19. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$8 + 9 =$$

 even or odd

 even or odd

Sum: _____ even or odd

20. Solve the equation using the tens frames. Are the addends even or odd? Is the sum even or odd?

$$1 + 2 =$$

even or odd

even or odd

Sum: _____ even or odd
