3. Cut out a semi-circle for the mouth from black card or paper.
4. Cut out small triangles for the shark's teeth from the white card or paper.
5. Stick the white triangles onto the black semi-circle mouth.
6. Stick on two googly eyes.
7. Cut out some waves from the dark blue card or paper.
8. Stick the waves at the bottom of your picture.
9. For glistening waves, put some glue along the waves and sprinkle a little glitter on top.

Extension

Ask the children to think of 'ea' words their shark might like to eat for tea.
