

'a_e' Cake Spinner

Level 5

You will need:

- Split pins
- Scissors
- 'a_e' Cake Spinner Template (one for each child)
- Coloured crayons

Instructions

1. Print out the cake spinner template for each child on paper or card.
2. Encourage the children to decorate the top of the spinner as a birthday cake using crayons.
3. Support and encourage children to cut around the edges of each circle.
4. Assist children by using a split pin to attach the two circles, putting the word circle on the bottom.
5. Show the children how to use the spinner and encourage them to read the words.
