Take Away the e

If the verb ends in a **consonant + e**, take away the **e** before adding **ing** to show the action is happening now.

Directions: Read the first sentence, and circle the verb. Rewrite the verb in the second sentence to show that the action is happening now. Remember to drop the **e**.

Example: I will phone my friends to invite them to my party.

I am phoning my friends to invite them to my party.

	ing ing				party.
