Q5: What did the party guests have to eat and drink?

Q6: How do you think Kit and Sam felt when they had to go home?

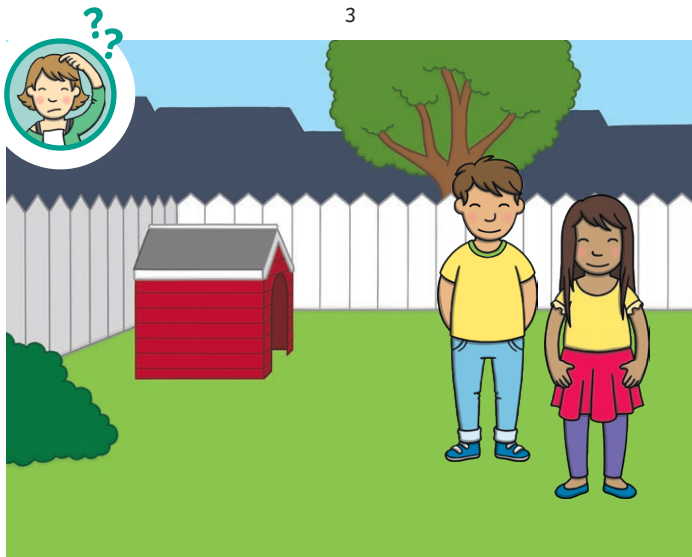

In the fence was a tiny secret door! "We are much too big to get in," said Kit. "Let's try the magic map!" suggested Sam. Soon, they were inside...

It was the last day of the summer holidays and Kit and Sam were spying insects in their garden. They saw a line of ants carrying leaves to the fence.

Q7: What do you think will happen next?

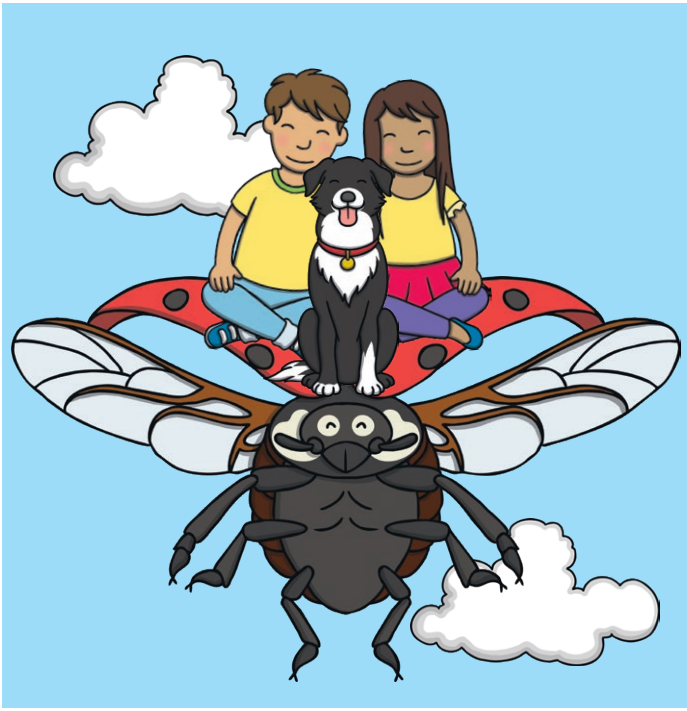

Q1: What were Kit and Sam doing in the garden?

Q2: What could Kit and Sam find behind the secret door?

The children felt shy but Lucy and her friends were having a party. They were all playing games, eating honey and drinking nectar. "It has been such fun but now it is time to go," said Kit.

Then, Lucy, the ladybird, took them for a fly on her back. "Woo hoo!" shouted Sam. From the sky, they could see all of the garden down below them!

Kit, Sam and Ben found themselves on the other side of the secret door. They were surrounded by tall grass and enormous insects. They had shrunk!

The ants from the garden were now huge! "Run!" Sam heard Kit cry. They ran as fast as they could and hid in a gap in the grass.

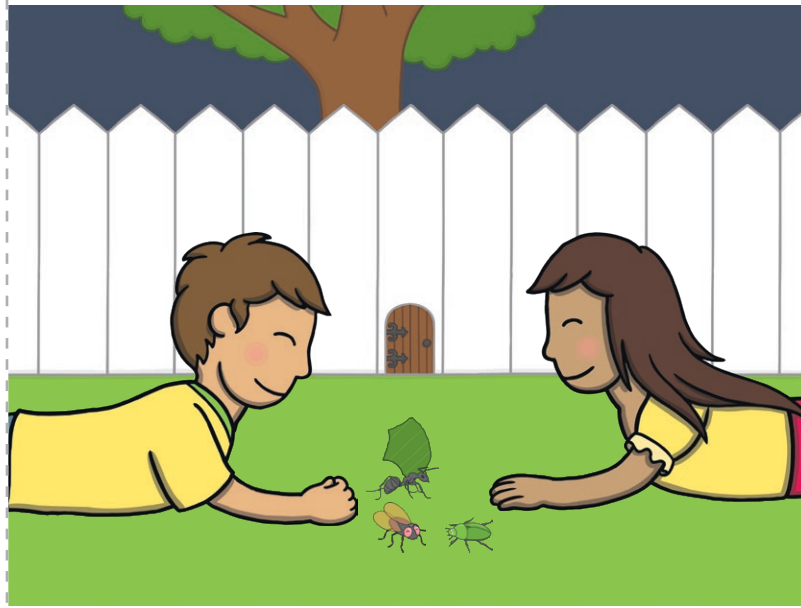

Q3: What strange thing had happened to Kit, Sam and Ben?

Q4: Why did Kit, Sam and Ben run away from the ants?
