Careers Week

A 'Let's Read Together!' Book

Q5: What animal did Mary bring with her?

Q6: Who was the surprise visitor and why do you think he came to Careers Week too?

Q1: What special week is it this week?

Q2: What was the challenge the children had to complete?

Mrs West calls an assembly and tells us that it is Careers Week. We listen carefully to find out what it is about.

Q7: What do you think will happen next?

The first visitor is an engineer and she makes things out of steel. She leaves an engineering challenge for my whole class. We make bridges out of lolly sticks and test them.

Both Sam and I think it is the end of Careers Week but Mrs West says there is a surprise visitor. It is Father Christmas and we all cheer! He talks about his job and his deer, too.

The last visitor is a deer keeper, called Mary. She brings one of her deer with her and tells us all about her job looking after them. We have lots to ask.

The next day, there is another visitor. It is Eleanor who is a puppeteer. She brings a cute, fluffy meerkat puppet with her that looks real! The meerkat isn't the only puppet Eleanor has – there are lots more too!

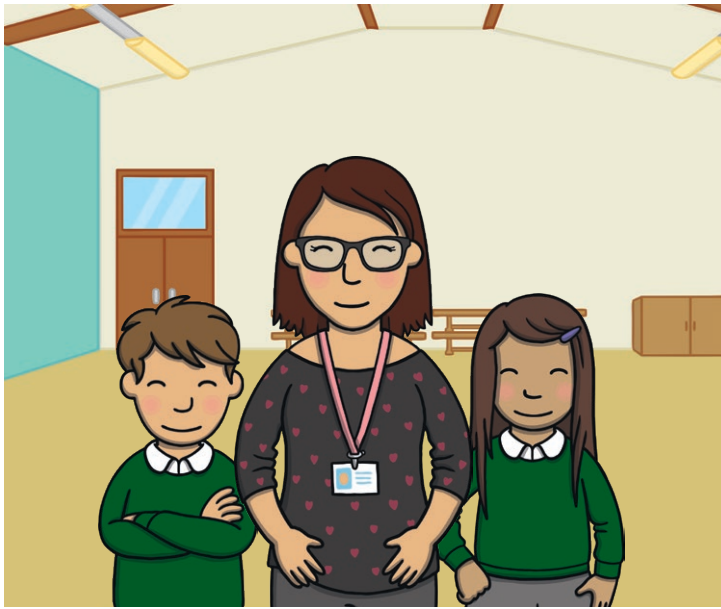

The following day, Gabi's Uncle Jack visits. He is a mountaineer and tells us about the sheer drop on Mount Everest. The photos make my knees wobble!

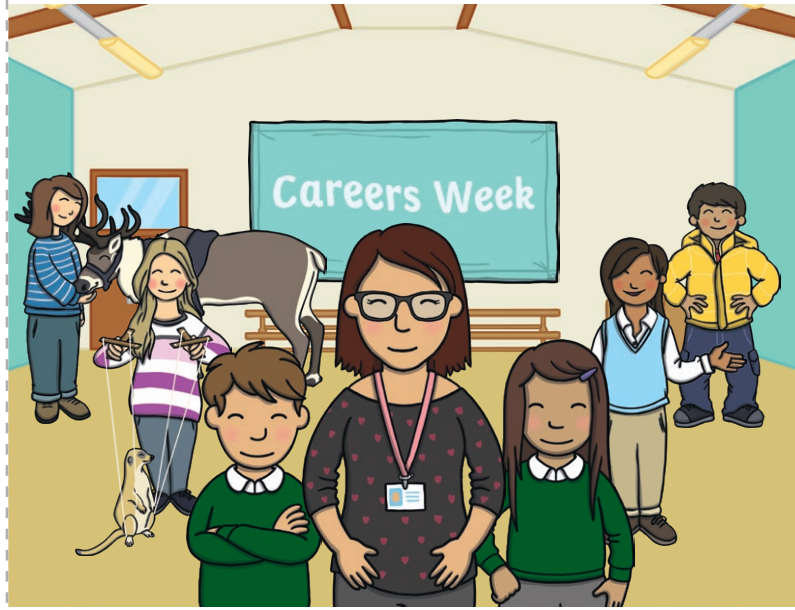

Q3: What kind of puppet did Eleanor show in the assembly?

Q4: Why did Jack's pictures make Kit's knees wobble?
