Q5: Why do you think Mr Philips winked at Sam?

Kit wanted to be in the pantomime but it was just hopeless. He couldn't learn the lines. He even roped Ben into helping him out but Ben was not very useful!

Mr Philips excitedly announced that we would be putting on a year 2 pantomime. We were hopeful that we might each get a part.

Q6: Why was everyone surprised during the performance?

Q1: Which word describes how Kit feels when he is trying to learn his lines?

Q2: Why does Kit try to get Ben's help?

On the night of the performance, Kit surprised everyone by singing beautifully. The pantomime was a huge success!

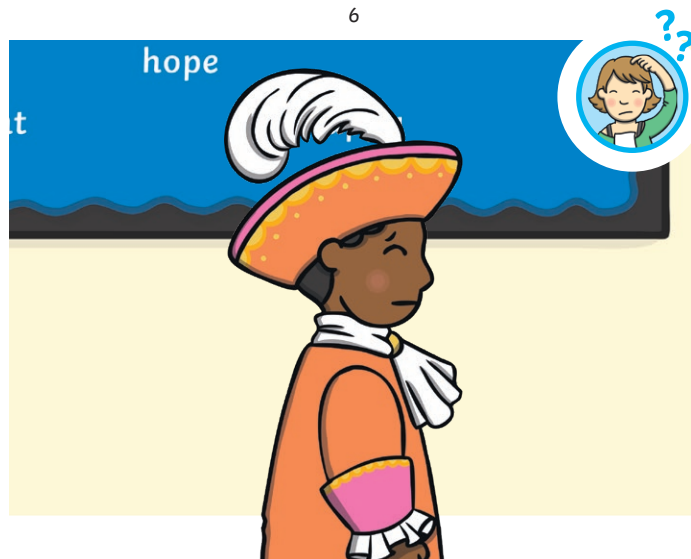

Kit wasn't at any of the rehearsals but he seemed very cheerful. Sam even asked Mr Philips what he was doing but Mr Philips just winked and replied, "You'll see!"

Sam was very worried about Kit so she went to see Mr Philips. "Leave it with me," Mr Philips said, smiling. Mr Philips spoke to Kit and he was much more cheerful after that.

The day of the audition came around quickly and people waited nervously for their turn. However, Kit was nowhere to be seen. "Where could he be?" Sam asked Gabi.

Q3: Why were people feeling nervous in the line?
