

# The Snail

Slow, slimy and slippery snail;  
slowly, you slide down the trail.

Slowly, you go on your way;  
slowly, you move through the day.

Slow, slimy and slippery snail;  
gently, you skate down the trail.

Gently, you search for a snack;  
gently, you move down the track.

Slow, slimy and slippery snail;  
quietly, you creep down the trail.

Quietly, you move in the sun;  
quietly sliding and having fun.
