

Spelling, Punctuation and Grammar Guide

Spelling, Punctuation and Grammar (SPaG)

Our scheme of work for the 2014 UK National Curriculum for Spelling, Punctuation and Grammar.

To help you save time we have put together complete lesson packs for the 2014 curriculum. These packs have been developed by teachers and designed by our creative team to provide you with everything you need to teach the spelling, punctuation and grammar objectives in one handy download.

Each lesson pack includes a detailed lesson plan, a lesson presentation, creative differentiated lesson activities and an assessment activity. A handy poster is also included for display purposes.

SPaG Lesson Packs

The Learning Sequence

Each SPaG Lesson Plan Consists of 5 Sections

The first three sections, **Introductory Activity**, **Independent Focused Activity** and **Review Activity** function either together as a complete lesson plan, or as stand-alone learning activities for small group intervention or morning work.

Two additional activities, the **Consolidation Activity** and **Assessment/Application Activity**, have also been added for extra exploration of the learning aim.

Option One

1. Introductory Activity
2. Independent Focused Activity
3. Review Activity

4. Consolidation Activity

5. Assessment/Application Activity

Option Two

2. Independent Focused Activity
3. Review Activity

4. Consolidation Activity

5. Assessment/Application Activity

What Goes into a SPaG Plan?

Each lesson pack contains a lesson plan as a pdf document. Text can be copied from the plan to your own lesson planning format. Our SPaG lessons are split into five different sections to offer maximum flexibility to suit your needs.

Lesson Name

Resources: Any resources you need will be listed here. The Lesson Pack is the full folder of resources that is included for each lesson.

Aim: Text in red is the 2014 NC aim and the green text gives a child friendly aim for the lesson.

Preparation: Here you will find everything that needs preparing before the lesson.

SPaG: Homophones

<p>Aim: Use homophones and near homophones. I can identify homophones and near homophones.</p> <p>Success Criteria: I can describe what a homophone is. I can use a homophone in one of my own sentences. I can identify pairs of homophones and near homophones. I can think of missing homophones to complete a homophone group.</p>	<p>Prior Learning: New concept.</p> <p>Key/New Words: Homophone, near homophone and examples of homophone groups.</p>	<p>Resources: <u>Lesson Pack</u> Personal reading books</p> <p>Preparation: Differentiated <u>Matching Cards Activity Sheet</u> - per child Load the <u>'Homophones Game'</u> Differentiated <u>Homophone Groups Activity Sheet</u> - per child <u>Assessment and Application: Homophones</u> - per child</p>

You'll find Twinkl resources in blue and bold, hyperlinks are also underlined.

You'll find key assessment opportunities that address the success criteria in green in the learning sequence.

Differentiation is indicated by 1, 2 or 3 stars.

1. Introductory Activity:
This introduces the concept.

2. Independent Activity:
Allows children to practise applying their new learning.

3. Review Activity: This summarises and reinforces children's learning.

Introductory Activity: What is a Homophone?
The children discuss what a homophone must be, based on the examples. They write their idea in a sentence on a whiteboard. Stop and share the ideas as a class. Look at the description of what a preposition is on the next slide. Then the children continue to work with their partners on whiteboards as they guess the homophones in the Lesson Presentation. I can the child on describe what a homophone is?

Independent Focused Activity: Matching Cards
The children complete the differentiated Matching Cards Activity Sheets.

★ Match the cards. ★★ Match the picture to the word, then find homophones and near homophones. ★★★ Match the homophone pictures and spell each word in the space underneath the picture.

Review Activity: Mini Activity/Near Homophones
Work together to match the near homophones. Check the answers using the following slide. On computers, click on the link on the link and play the 'Homophones Game'. Listen out for children who can identify pairs of homophones and near homophones.

Consolidation Activity: Homophone Groups
The children complete the differentiated Homophone Groups Activity Sheets.

Assessment/Application Activity: Homophones
The children complete the Homophones Mini Test in order to assess their understanding.

4. Consolidation Activity:
An extra opportunity for children to practise applying their learning.

5. Assessment/Application Activity: This helps you to test the depth of children's understanding and learning.

Our icons tell you the type of activity, see below.

These titles in bold match the relevant slides in the lesson presentation.

What Goes into a SPaG Presentation?

Each lesson pack has a lesson presentation, available as a PowerPoint or interactive whiteboard file. The presentation frames the learning sequence, providing information, posing questions and setting tasks.

Each presentation has the same 3 slides at the beginning;

Slide One: Planit title slide with the subject and the unit title. The footer of the slide will match the lesson plan.

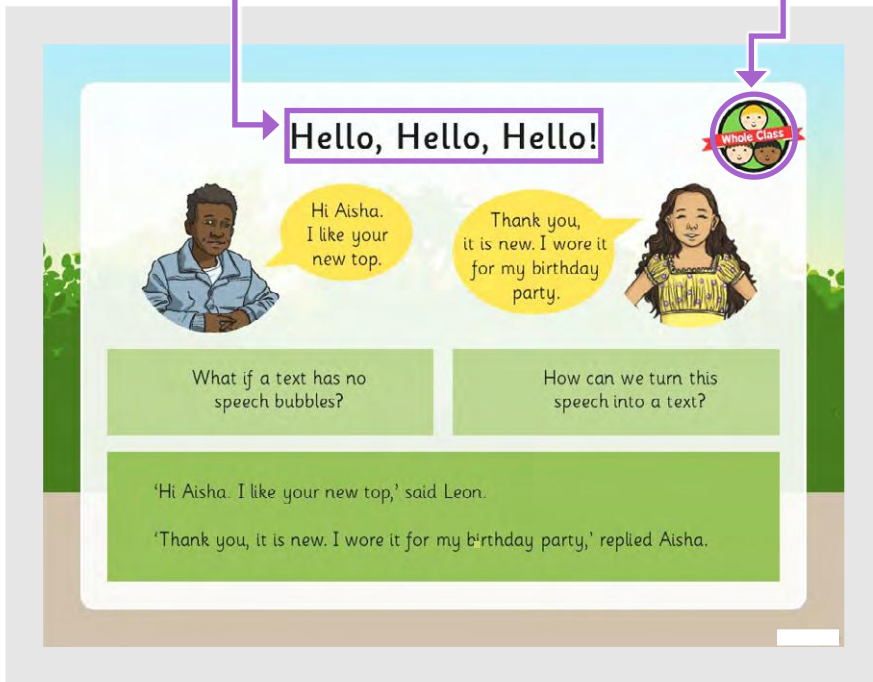

Slide Two: Child-friendly title slide. You might choose to start your lesson with this slide.

Slide Three: Contents slide that links directly to each section of the presentation.

Slide titles in the lesson presentation correspond with the bold titles in the learning sequence in the lesson plan.

You'll find the corresponding icon in the top right-hand corner. There is a key to the icons at the bottom of the page.

Every presentation will start and finish with the success criteria slide to help facilitate the children's assessment.

Leon and Aisha

I can use inverted commas for direct speech.

This is a conversation.

Aisha, I need your help. I'm on my way, Leon.

Can you complete these other conversations with replies for each one?

- My favourite ice cream flavour is strawberry.
- I don't like going to bed.
- My swimming lesson was really tiring today.
- I can't wait for my birthday party.

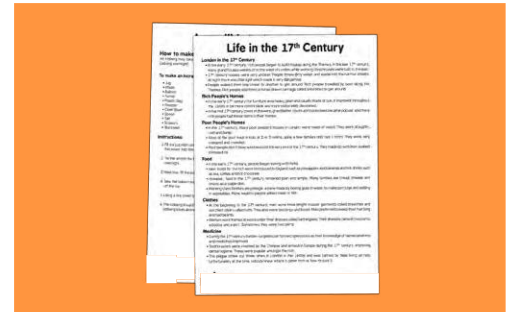

The lesson aim is already typed in this box. An editable blank version is also provided. The three circles are for optional self or teacher assessment.

E.g. traffic light colours or shading 1, 2 or 3.

The footer will let you know which unit and lesson the activity sheet is from.

What is SPaG Adult Guidance?

Adult guidance provides teachers with background knowledge and information to assist with the lesson. The type of guidance in the pack will depend on the lesson content.

SPaG Assessment

In addition to the lesson plan, presentation and activity sheets, all Planit SPaG lesson packs will contain success criteria grids for easy assessment. The **Application and Assessment Activity** provides a test for Years Two to Six, whilst Year One packs include a quiz or game. Application activities add an opportunity for children to demonstrate their newly acquired SPaG skills.
