

# Animals and their foods

## Grade 2 Science Worksheet

For each animal, write what it eats. Then write an: "H" if it's a herbivore, a "C" if it's a carnivore, or an "O" if it's an omnivore.

**Herbivore** - an animal that just eats plants.  
**Carnivore** - an animal that eats mostly meats.  
**Omnivore** - an animal that eats both plants and meats.

---
