

Internet Blogging

Find school blogs from classes the same age as yours. Try searching Year _____ Blog.

1. Read the blogs.
2. Who has written the blogs: teachers or children?
3. Can you think of any comments or questions to post?
4. Choose one blog and record below what the blog is about, and what comment or question you could make.

Internet Research

Use some search engines like Google, Bing or Yahoo, or a child-friendly search like Kidrex to search for information about the word _____.

1. Compare the different results.
2. Now add "for kids" and see if you get better results.
3. Write down some facts you have found out from your research.
4. Draw one picture from your results.
